In consideration of One Dollar and other good and valuable consideration, of which I acknowledge receipt, I, **Jean-Pierre Lair** (Assignor)

hereby sell, assign, convey, and transfer to The NORDAM Group, Inc., a corporation of Delaware, located and having a place of business at 510 South Lansing, Tulsa, Oklahoma 74120 (Assignee), its successors and assigns the entire right, title and interest in, and to the improvements in, an invention entitled

DUPLEX MIXER EXHAUST NOZZLE

invented by me, as described in the application for United States patent executed concurrently herewith, and in any and all applications for patent therefor in all countries, including all divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of the United States application, and from the U.S. provisional application No. 60/358,865 filed 02/22/02 under the title "Noise Suppressor;" and from the U.S. provisional application No. 60/362,939 filed 03/08/02 under the title "Noise Suppressor and Cruise Performance Improvement;" and

authorize and request any official whose duty it is to issue patents, to issue any patent on the invention and the improvements or resulting therefrom to the Assignee, or its successors or assigns; and

agree that on request and without further consideration, but at the expense of the Assignee, I will communicate to the Assignee or its representatives or nominees any facts known to me respecting the invention and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, and other applications, make all rightful oaths and generally do everything possible to aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and improvements in all countries; and

covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into by me which would conflict with this assignment, and that full right to assign the invention and improvements is possessed by me.
