Attorney Docket No. 1052.002**ASSIGNMENT AND AGREEMENT**

For value received, I, as a below-named inventor:

James A. Blingham of Westerville in the State of Ohio,

hereby sell, assign, and transfer to Andrew Corporation, a corporation of the State of Delaware, having an office at 10500 W. 153rd Street, Orland Park, Illinois 60462-3099, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **Tuning Feed-Forward Amplifiers And The Like** described in an application for Letters Patent of the United States, executed by me of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Andrew Corporation the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Andrew Corporation to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Andrew Corporation to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Andrew Corporation in the United States and in all countries foreign to the United States, or to such nominees as Andrew Corporation may designate.
