**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
ASSIGNMENT**

WHEREAS, Robert E. Montgomery, a citizen of the United States of America residing at Lee, Massachusetts, is the owner (hereinafter "Assignor") of the inventions disclosed in the patents listed in Attachment A (hereinafter "Patents"), said Patents having been issued from the United States Patent and Trademark Office on the dates noted in Attachment A.

WHEREAS, Oraceutical Innovative Properties, LLC (hereinafter "Oraceutical Innovative Properties"), a limited liability corporation organized and existing by virtue of the laws of the State of Delaware, having its principal place of business at 815 Pleasant Street, County of Berkshire, Lee, Massachusetts 01238, is desirous of acquiring the entire right, title and interest in and to the Patents and the inventions disclosed therein.

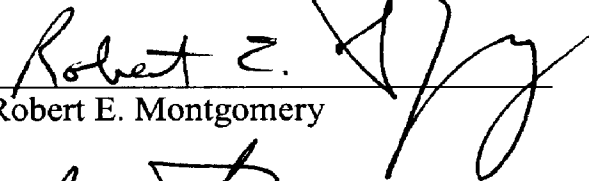

NOW, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor by these presents does sell, assign and transfer to Oraceutical Innovative Properties, its successors, assigns, and legal representatives (hereinafter "Nominees"), the full and entire right, title and interest for the United States of America and all other countries in and to the Patents and the inventions disclosed therein including the right to sue and collect damages for past infringement, and the Assignor hereby requests the Director to issue letters patent to Oraceutical Innovative Properties, as the sole assignee;

AND FURTHER the Assignor covenants that the Assignor has full right to convey the entire right, title and interest herein assigned, and that the Assignor has not executed and will not execute any agreement or do anything in conflict herewith.

The Assignor FURTHER conveys to Oraceutical Innovative Properties or its Nominees the right to make application in its own behalf for protection of the inventions disclosed in the Patents in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement for any such application the date of the said Patents in priority to other applications; and that the Assignor binds itself, its heirs, executors, administrators, and legal representatives, as the case may be, at any time upon request without undue delay and without further or additional consideration, to execute and deliver to Oraceutical Innovative Properties or its Nominees any further documents, facts, or instruments and do any and all further acts that may reasonably be deemed necessary by Oraceutical Innovative Properties or desirable to perfect Oraceutical Innovative Properties' enjoyment of this grant, to enable Oraceutical Innovative Properties or its Nominees to make application for and obtain any original, divisional, renewal, reissued or extended Letters Patent for the inventions disclosed in the Patents in any country where it may elect to file such applications, and/or that may be necessary to vest in Oraceutical Innovative Properties or its Nominees the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application(s) may be filed, and in enforcing any rights or causes of action accruing as a result of such application(s) or

patent(s), and by executing preliminary statements and other affidavits, all at the expense, however, of Oraceutical Innovative Properties or its Nominees, it being understood that the foregoing covenant and agreement shall bind, and inure the benefit of the assigns and legal representatives of the respective parties.

Executed the 30th day of December, 2002

Robert E. Montgomery
