QUITCLAIM ASSIGNMENT

WHEREAS, **Dale M. Clewis** ("Assignor") is the inventor of certain inventions disclosed in U.S. Patent Application Serial No. 09/853,435, filed on May 10, 2001;

WHEREAS, **Gateway Manufacturing, Inc.**, ("Assignee") a corporation of the Commonwealth of Kentucky, and having a place of business at 124 Apperson Heights Drive, Mt. Sterling, Kentucky 40353, is desirous of acquiring whatever right, title and interest in and to said invention is held by Assignor and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, Assignor does hereby sell, assign, transfer, quitclaim and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the above-mentioned application, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATIONS, Assignor hereby agrees with the Assignee that it will not execute any writing or do any act whatsoever conflicting with these presents, and that it will, at any time upon request, without further or additional consideration but at the expense of the said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chooses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of Assignor and Assignee;

Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
