QUITCLAIM AND ASSIGNMENT

This Quitclaim and Assignment is made this 16th day of January, 2003, by Rocky Sheih for the benefit of Technical Concepts, L.P. ("Technical Concepts"), an Illinois Limited Partnership, having a place of business at 1301 Allanson Road, Mundelein, Illinois 60060.

WHEREAS Kenneth J. Muderlak ("Muderlak") and Rocky Sheih ("Sheih") are joint inventors of the inventions embodied in United States Patent No. 5,680,879 which issued from United States Patent Application No. 08/706,429 filed on September 5, 1996 which is a continuation of United States Patent Application No. 08/304,746 filed on September 12, 1994 (hereinafter collectively referred to as "the Intellectual Property");

WHEREAS Muderlak has assigned to Technical Concepts his entire right, title and interest in and to the Intellectual Property;

WHEREAS Sheih has assigned to Technical Concepts his entire right, title, and interest in and to the inventions embodied in United States Patent Application No. 08/304,746 and in all Letters Patent for all such subject matter;

WHEREAS Sheih had intended by said assignment to assign to Technical Concepts his entire right, title, and interest in and to the Intellectual Property and hereby agrees to such assignment effective as of the date of his original assignment; and

WHEREAS Sheih disclaims all ownership of the Intellectual Property, including all inventions, patents or patent applications related to the Intellectual Property,

NOW THEREFORE, for good and valuable consideration in the sum of ten (\$10.00) dollars, the receipt and legal sufficiency of which are hereby acknowledged, Sheih states as follows:

Sheih hereby disclaims the entire right, title and interest in and to the Intellectual Property including all inventions, patents or patent applications related thereto and the exclusive right to sue and collect damages for any past or other infringement thereof, said disclaimer being effective as of December 5, 1994;

Sheih has sold, assigned and transferred, and by these presents does sell, assign and transfer to Technical Concepts, the entire right, title and interest for the United States in and to the inventions and the patent applications identified above, and any patents that may issue
