## ASSIGNMENT

In consideration for One Dollar and other good and valuable consideration, receipt of which is hereby acknowledged, MDF, Inc., a corporation of Florida having a place of business at One North Dale Mabry Drive, Tampa, Florida 33609 ("Assignor"), through its undersigned authorized officer, hereby sells, assigns, transfers and sets over to Premdor International Inc., a corporation of Barbados, having a mailing address of c/o KPMG – Barbados, Corporate Services, P.O Box 690C, Bridgetown, Barbados (Assignee"), its successors, assigns, nominees, or other legal representatives, the entire right, title and interest, including claims for past infringement, in all countries including the priority rights derived from the hereinafter designated applications for Letters Patent of attached Schedule 1, including the sole rights under the International Convention to apply for and obtain Letters Patent for said invention or inventions in the United States and in all other countries of the world, including original, divisional, continuation, continuation-in-part, reissue, utility and design patents, patents of addition, confirmation patents, registration patents, petty patents, utility models, etc., and all other types of patents and the like, and all renewals and extensions of any of them, and the entire right, title and interest in and to all such Letters Patent, the applications therefor and the subject matter of all claims obtained in said Letters Patent, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent on applications as aforesaid to issue the said Letters Patent to Assignee, its successors, assigns, nominees or other legal representatives, as assignee of the entire interest, and Assignors hereby covenant that it conveys the entire interest herein assigned and that it has not executed and will not execute any agreement in conflict herewith.

Assignor further covenants and agrees that whenever requested by said Assignee, its

successors, assigns, nominees or legal representatives, it will execute and deliver or cause to be executed and delivered such further patent applications, assignments, oaths, disclaimers and other documents, give or cause to be given such evidence and furnish or cause to be furnished such information within its knowledge or control, and do or cause to be done such other acts and furnish or cause to be furnished such other assistance, as Assignee may deem necessary or desirable in connection with obtaining and/or maintaining any Letters Patent as aforesaid for said invention or inventions, or in connection with any suit or controversy, including interference proceedings, relating to any of such Letters Patent or to any applications therefor or in order to vest or perfect in it or to protect or enforce the right, title and interest herein assigned, or otherwise effectuate the premises, all without further consideration but at the expense of said Assignee, its successors, assigns, nominees or other legal representatives.
