ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, Robert O. Crowley, Patrick M. Lane and Erik H. Binnie, do hereby assign and transfer unto AGM Container Controls, Inc., a corporation of the State of Arizona, having its principal offices at 3526 E. Ft. Lowell Road, Tucson, Arizona 85717-0020, United States of America, and unto its successors, assigns and legal representatives, the entire right, title and interest to a certain invention entitled "Support System for Loads" described, illustrated and claimed in an application for Letters Patent of the United States of America executed by us on February 18, 2003, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and in any division, extension, continuation or reissue thereof, said AGM Container Controls, Inc., bearing all patent application expenses, including attorney fees.

We also hereby assign and transfer unto said AGM Container Controls, Inc., the entire right, title and interest in and to said inventions and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries; we further authorize said AGM Container Controls, Inc., to apply for Letters Patent in foreign countries directly in its own name,

and to claim the priority of the filing date of said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to AGM Container Controls, Inc., for the sole use and behoof of said AGM Container Controls, Inc., its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by us had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to said AGM Container Controls, Inc.

We agree that, when requested, we will, without charge to said AGM Container Controls, Inc., but at its expense, sign all papers,

take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and/or maintaining patents for said invention in any and all countries and for vesting title thereto in said AGM Container Controls, Inc., its successors, assigns and legal representatives or nominees.

We covenant with said AGM Container Controls, Inc., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment,

grant, mortgage, license or other encumbrance.
