ASSIGNMENT

THIS ASSIGNMENT, made by **SPERRY PRODUCT INNOVATION, INC.**, a corporation having its principal place of business at 11 Sixth Road, Woburn, Massachusetts 01801, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, Assignor has previously acquired by assignment from the inventors all right, title, and interest in and to certain new and useful improvements in **Packaging Apparatus and Method** for which an application for United States patent has been filed on September 9, 2002, under Application No. 10/237,507, and in and to all corresponding patents and/or patent applications worldwide, and in and to the inventions represented thereby; and,

WHEREAS **SEALED AIR CORPORATION (US)**, a corporation of the state of Delaware, having its principal place of business at Park 80 East, Saddle Brook, New Jersey 07663, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to said Application and in and to the inventions represented thereby; and

WHEREAS, the parties have agreed to the Assignment hereinafter set forth;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to said Application and the inventions represented thereby, and any and all continuations, continuations-in-part, or divisions thereof, and any and all Letters Patent or reissues, reexaminations, or extensions thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention; and all rights corresponding to said Application in foreign countries throughout the world; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

From time to time after the date hereof, at the request of either party hereto, and at the expense of the party so requesting, each of the parties hereto shall execute and deliver to such requesting party such documents and take such other action as such requesting party may

reasonably request in order to consummate more effectively the transactions contemplated hereby.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses full title to the inventions and Application thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed this 30th day of July, 2003.
