WHEREAS, said assignors have invented certain new and useful improvements in
(Title) **PREPARATION OF POWDER GRANULES BY LIQUID CONDENSATION
PROCESS AND MANUFACTURE OF POWDER COMPACTS THEREOF**;, set forth in
an application for Letters Patent of the United States, bearing Serial No. _____ and filed
on December 23, 2002 ; and

WHEREAS, **Korea Institute of Science and Technology**, a corporation duly organized
under and pursuant to the laws of Korea and having its principal place of business at 39-1,
Hawolgok-Dong, Sungbook-Ku, Seoul, Korea (hereinafter referred to as the assignee) is desirous
of acquiring the entire right, title and interest in and to said inventions and said application for
Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or
foreign, to be obtained therefor and thereon:

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and
sufficient consideration, the receipt of which is hereby acknowledged, said assignors have sold,
assigned, transferred and set over, and by these presents do sell, assign, transfer and set over,
unto said assignee, its successors, legal representatives and assigns, the entire right, title and
interest in and to the above-mentioned inventions, application for Letters Patent, and any and all
Letters Patent or Patents in the United States of America and all foreign countries which may be
granted therefor and thereon, and in and to any and all divisions, continuations and
continuations-in-part of said application, or reissues or extensions of said Letters Patent or
Patents, and all rights under the International Convention for the Protection of Industrial Property,
the same to be held and enjoyed by said assignee, for its own use and the use of its successors,
legal representatives and assigns, to the full end of the term or terms for which Letters Patent or
Patents may be granted, as fully and entirely as the same would have been held and enjoyed by
the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with
said assignee its successors, legal representatives and assigns, that, at the time of execution and
delivery of these presents, said assignors are the sole and lawful owners of the entire right, title
and interest in and to said inventions and the application for Letters Patent above-mentioned, and
that the same are unencumbered and that said assignors have good and full right and lawful
authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said inventions and the Letters Patent to be issued thereon for the sole use of said assignee, its successors, legal representatives and assigns.
