ASSIGNMENT OF UNITED STATES LETTERS PATENT

GENERAL ELECTRIC CAPITAL CORPORATION, a Delaware corporation ("Assignor"), which is the owner of the United States Letters Patent, patent applications and patent disclosures listed on Schedule "A" attached hereto and made a part hereof, together with all reissuances, continuations (in whole or in part), revisions and reexaminations thereof (collectively, the "Patents"), for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby irrevocably sell, assign, transfer and convey unto ECESIS LLC, a Delaware limited liability company ("Assignee"), all of Assignor's right, title and interest in and to the Patents and the inventions claimed therein (collectively, the "Patent Rights"), together with the right to sue and to recover for past infringements of the Patent Rights, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors and assigns as fully and entirely as the same would have been held and enjoyed by the Assignor had this Assignment not been made, including herein any licenses or authorizations to use the Patent Rights and the right to sue and recover for past infringements thereof.

Assignor agrees to execute and provide promptly after the execution hereof, such further instruments, documents or assignments as may reasonably be necessary to effectuate the purposes of this Assignment and to consolidate, vest and record in Assignee the full ownership of the Patent Rights and the right to recover for past infringements, and any licenses or authorizations to use the Patent Rights granted by Assignor (or its predecessors) heretofore.

Dated: February 28, 2003
