**CONTINUATION OF RECORDATION FORM COVER SHEET - Item 2**

**Additional Receiving Parties:**

David P. Gomez  
6001 Sedgley Court  
Burr Ridge, Illinois 60521

**ASSIGNMENT**

WHEREAS, David P. Gomez, an individual, of 6001 Sedgley Court, Burr Ridge, Illinois 60521 (hereinafter sometimes referred to as the "Assignor"), has made new and useful inventions and improvements in a "Golf Ball Cleaning Apparatus", for a full description of which reference is hereby made to U.S. Patent No. 6,379,066, issued April 30, 2002 (the "Patent");

WHEREAS, David P. Gomez and Ferdinando Ladurini (collectively referred to as the "Assignees"), are desirous of acquiring the entire right, title and interest in and to the invention forming the basis for said Patent throughout the world, and in, to and under the above-identified Patent which has been obtained for said invention, and to any continuation, continuation-in-part, divisional, re-examination or re-issued applications or patents covering said invention throughout the world (the "Patent Applications");

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that, for valuable consideration, including but not limited to the advancement of funds pursuant to a separate agreement between the parties, the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor has sold, assigned, and transferred, and by these presents does sell, assign, and transfer unto the said Assignees, an individual share as follows: David P. Gomez - 80%; and Ferdinando Ladurini - 20%; of the entire right, title and interest for the United States and throughout the world in and to the invention, and in and to any and all

Patent Applications, and in and to any Letters Patent of the United States and throughout the world that may issue or re-issue for said invention on any one or more of said applications; to have and to hold for the sole and exclusive use and benefit of said Assignees, their successors and assigns, to the full end of the term or terms for which any and all Letters Patent for said invention have issued;

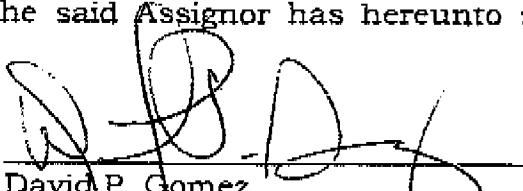

In the event that David P. Gomez desires to sell, transfer or assign an interest in his 80% share of the invention, Patent Applications, if any, or Letters Patent to a third party, David P. Gomez shall disclose the identity of such third party to and obtain prior written consent for such sale, transfer or assignment from Ferdinando Ladurini, which consent shall not be unreasonably withheld. Such sale, transfer or assignment by David P. Gomez shall diminish only the 80% share in the invention, Patent Applications, if any, or Letters Patent of David P. Gomez, such that the total share in the invention, Patent Applications, if any, or Letters Patent of Ferdinando Ladurini shall not ever be diminished from 20%;

And the Assignor does hereby covenant and agree, for himself, that he will assist said Assignees in the prosecution of any application, continuation, continuation-in-part, divisional, re-examination or reissue application to issue, re-examine or re-issue any patent based on the invention referred to herein; in vesting in the Assignees' exclusive title in and to all Letters Patent referred to herein; and in the prosecution of any interference, infringement or other action which may arise involving said invention or any claim thereto or thereunder, or Letters Patent herein referred to; and he will execute and deliver to said Assignees any and all

additional papers which may be requested by said Assignees to vest title in said Assignees in the United States, and will otherwise fully carry out the terms of this agreement.

IN TESTIMONY WHEREOF, the said Assignor has hereunto set his hand and affixed his seal.
