THIS DEED OF ASSIGNMENT is made on the 1st day of December 1998

Between

THE CHANCELLOR, MASTERS AND SCHOLARS of THE UNIVERSITY OF CAMBRIDGE, of The Old Schools, Trinity Lane, Cambridge CB2 1TN ("the University")

and

DR RICHARD WILLIAM FALLA LE PAGE of Gonville & Caius College, Trinity Street, Cambridge CB2 1TA and DR JEREMY MARK WELLS of The Cottage, Old House Road, Balsham, Cambridge CB1 6EF ("the Inventors").

WHEREAS:

(A) During the course of their employment with the University, the Inventors have jointly conceived an invention described in International Patent Application Number PCT/GB96/02580 taking its priority from British Patent Application Number 9521568.7 claiming priority from 20 October 1995.

(B) The University may in its capacity as the employer of the Inventors be the owner of or otherwise have rights in or a claim to the Invention and/or the Intellectual Property Rights (as hereinafter defined).

NOW THIS DEED WITNESSES as follows:

1. In this Deed:

"Invention" means the invention described in Schedule 1 hereto;

"Intellectual Property Rights" means all intellectual property rights of whatsoever nature in or arising out of the Invention, including the patent applications listed Schedule 2 hereto, all registered design rights, unregistered design rights, copyright, trade marks and topographies together with all applications for any of the above and the right to make applications for any of the foregoing in any jurisdiction.

2. In consideration of the Inventors entering into an agreement with Cambridge University Technical Services Limited (in a deed bearing even date herewith) the University hereby:

2.1 irrevocably waives all its rights, title and interest in the Invention and the Intellectual Property Rights;

2.2 assigns absolutely to the Inventors any rights it may have relating to the Invention and the Intellectual Property Rights including (without prejudice to the generality of the foregoing) the right to sue for damages and other remedies in respect of any infringement of such rights, any rights it may have pursuant to Section 39 of the Patents Act 1977, the benefit of the patent applications described in Schedule 2 hereto, the right to file further patent applications in respect of the Invention and/or the Intellectual Property Rights, the right to have patents granted on such applications and the right to claim priority over any other applications when filing further applications in the UK or overseas.

3. The University agrees that at the request of the Inventors it will at all times hereafter do all such acts and execute all such documents as may be reasonably necessary or desirable both to secure the vesting in the Inventors of all Intellectual Property Rights assigned to the Inventors hereunder and to assist in the resolution of any question concerning the Invention.

4. The University gives no warranty and makes no representation or promise whatsoever in relation to the Invention or the Intellectual Property Rights including, without limitation, its or their commercial viability or utility and the Inventors hereby acknowledge and accept that no such warranty representation or promise is or has been given or made by the University.

5. It is hereby certified that the transaction hereby effected is not part of a larger transaction or series of transactions in respect of which the amount or value or aggregate amount or value of the consideration exceeds the sum of £60,000.

IN WITNESS whereof the parties hereto have executed this Deed of Assignment the day and year first above written.
