ASSIGNMENT

WHEREAS we, Paul Belokin, Martin P. Belokin, and Norman P. Belokin, all of Denton County, Texas, are the owners of all right, title and interest in and to United States Letters Patent No. Des. 400,384 entitled Display Shelf and the inventions claimed therein; and

WHEREAS Displays by Martin Paul Creative Center, Inc. (hereinafter referred to as Assignee), a corporation organized and existing under the laws of the State of Texas having its principal place of business at 7801 I-35 North, Denton, Texas 76202, is desirous of acquiring our entire right, title and interest in and to United States Letters Patent No. Des. 400,384, the inventions claimed therein and any patent which may be granted therefor in the United States of America and any and all foreign countries.

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer to the said Assignee, its successors and assigns, our entire right, title and interest in and to the said United States Letters Patent No. Des. 400,384 and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof, along with the right to bring suit in its own name and recover damages for any infringement of said United States Letters Patent No. Des. 400,384 which occurred prior to the date of this Assignment.

We also hereby sell and assign to the said Assignee, its successors and assigns, all our rights in and to the inventions disclosed in said United States Letters Patent No. Des. 400,384 in all countries of the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name and including all rights of priority under the terms of the International Convention for the Protection of Industrial Property and otherwise; all rights to publish cautionary notices reserving ownership of said invention; and all rights to register said invention in appropriate registries. We further agree to execute any and all powers of attorney, patent applications, assignments, declarations, affidavits and any other papers in connection therewith necessary to perfect such rights, title and interest in Assignee, its successors or assigns.

We hereby further agree that we will, at the expense of the Assignee, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths and generally do everything reasonably necessary to aid said Assignee, its successors, assigns and nominees, to obtain and enforce proper protection for said inventions in all countries throughout the world.

IN WITNESS WHEREOF we have hereunto set our hands on the date set forth below.
