ASSIGNMENT OF PATENT

We, Thomas M. Moore, Rocky D. Kruger, and Cheryl Hartfield, having a correspondence address of 7738 Forest Lane, #428, Dallas, Texas 75230 ("Assignors") have invented certain new and useful improvements disclosed in United States Letters Patent titled METHOD FOR SAMPLE SEPARATION AND LIFT-OUT WITH ONE CUT, U. S. Pat. No. 6,420,722 B2, Issued on July 16, 2002 ("the Patent").

Omniprobe, Inc., a Texas corporation ("Assignee"), whose address is 7738 Forest Lane, #428, Dallas, Texas 75230, wants to acquire the entire right, title and interest in and to the improvements and patent.

For a good and valuable consideration, the receipt of which is hereby acknowledged, we hereby sell, assign, and transfer to Assignee the entire right, title and interest in and to the improvements and the Patents, and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country; and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for the improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for the improvements in any foreign countries;

For the same consideration, Assignors convey to Assignee all interest in damages for infringement of the Patents, or either of them, heretofore.

We covenant that we have full right to convey the entire interest assigned, and that we have not executed, and will not execute, any agreement in conflict with this assignment.

We further covenant and agree that we will communicate to Assignee any facts known to me respecting the improvements, and testify in any legal proceeding, sign all lawful papers, execute all reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the improvements in all countries.

EFFECTIVE this the 23rd day of May, 2001.

Thomas M. Moore

Rocky D. Kruger

Cheryl Hartfield
