ASSIGNMENT

WHEREAS, THE UAB RESEARCH FOUNDATION ("Assignor") owns the entire right, title and interest of Robert I. Garver, of 2116 Royal Fern Lane, Hoover, Alabama, 35244, and any other persons who are obligated to assign inventions to Assignor, who, with others, developed certain inventions described in a patent application titled METHODS AND COMPOSITIONS FOR TREATING SOLID TUMORS, filed on February 3, 2003 and having U.S. Application No. 10/357,292; and

WHEREAS, GUILFORD PHARMACEUTICALS, INC. ("Assignee"), of 6611 Tributary Street, Baltimore, Maryland, a corporation of the State of Delaware, is desirous of acquiring the entire right, title and interest in and to said invention or inventions and any and all patents to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Assignor, the Assignor does hereby sell, assign, transfer and set over unto said Assignee, its successors and assigns, the Assignor's entire right, title and interest throughout the world in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications and claim priority under the provisions of any international convention or treaty; also the entire right, title and interest throughout the world in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country; and the Assignor hereby authorizes and requests the issuing authority to issue any and all patents on said application or applications to said Assignee or its successors and assigns.

The Assignor represents and warrants that it has full right to convey its entire right, title and interest, both legal and equitable, in and to said inventions, free from all prior assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever.

The Assignor further agrees, without any further payment or compensation by said Assignee or its successors and assigns, on behalf of itself, Mr. Garver and its other employees and agents (its "Employees"), to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify, and have its Employees testify, in any interference or other legal proceedings, whenever requested; execute and deliver, and have its Employees execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible, and direct its Employees to do so as well, to aid said Assignee, its successors or assigns and nominees to secure, obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

GPT-007.02

IN TESTIMONY WHEREOF, a duly authorized representative of the Assignor has hereunto set such representative's hand and seal, on behalf of the Assignor and in its name, on the date after the signature.
