ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00), and other valuable consideration, the receipt of all of which is hereby acknowledged, I, Robert McMillen, whose address is 2084 Lesperance, Tecumseh, Ontario N8N 2N4, hereby confirm that I have sold and assigned, and do hereby sell and assign to L&P Property Management Company, a Delaware Corporation, whose address is 4095 Firestone Boulevard, South Gate, California 90280, as assignee, all my right, title and interest, for Canada, the United States and all other countries, in and to an invention entitled:

UNIVERSAL ERGONOMIC SUPPORT WITH SELF-CONTAINED ACTUATOR

as described and illustrated in United States patent application Serial No. 09/798657, filed March 1, 2001 and all my right, title and interest in and to said patent application and in and to any divisionals, continuations, continuations-in-part, reissues, re-examinations, extensions of, and supplementary disclosures thereto, and in and to any patents that may be granted for said invention and in and to any additions or modifications to said invention.

I agree that I will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

For said considerations, the undersigned hereby agrees, upon the request and at the expense of said Assignee, to execute any divisional, continuation, continuation-in-part or substitute application for said invention or improvements, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application(s), and, in the event of any application or Letters Patent assigned herein becoming involved in an interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States and vest in said Assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said Assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment has not been made.

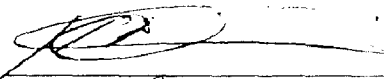

And for said consideration, the undersigned hereby assigns to said Assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights, and agrees to execute, at the request of said Assignee, all documents in connection with any application for foreign Letters Patent therefor.

SIGNED, SEALED AND DELIVERED, at Windsor, Ontario, Canada, this 11th day of September, 2002.
