ASSIGNMENT

WHEREAS I/We, the below named inventor(s), (hereinafter referred to as Assignor(s)), have made an invention entitled:

METHODS AND SYSTEMS FOR RISK EVALUATION

for which I/We executed and filed an application for United States Letters Patent on December 3, 2002 (U.S. Non-provisional Application No. 10/307,971); and

WHEREAS, SAP Aktiengesellschaft, a corporation of Germany, whose post office address is Neurottstrasse 16, 69190, Walldorf, Germany, and ERGO Versicherungsgruppe AG, a corporation of Germany, whose post office address is Victoriaplatz 2, 40198 Düsseldorf, Germany (hereinafter collectively referred to as Assignees), are desirous of jointly owning and securing the entire right, title, and interest in and to this invention in all countries throughout the world and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which from Assignees is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignees, their lawful and respective successors and assigns, my/our entire right, title, and interest in and to this invention, U.S. Provisional Application No. 60/382,024, filed May 22, 2002, and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above provisional application, as well as all rights to claim priority on the basis of this application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to the Assignees, their respective successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with the Assignees their respective successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignees, their respective successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid the Assignees, their respective successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignees, their respective successors and assigns.

IN TESTIMONY WHEREOF, I/We have hereunto set our hands.
