WHEREAS, **INNOVA FINANCE, LLC**, ("**Assignee**"), a Delaware limited liability company with a principal address of 264 Village Blvd., Suite 201, Incline Village, Nevada 89451 is desirous of acquiring the entire right, title and interest in and to the invention or inventions throughout the world, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries granted on the invention or inventions throughout the world;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) to **Assignor** in hand paid by **Assignee**, and for other good and valuable consideration, the receipt of which is hereby acknowledged, **Assignor** hereby sells, assigns, transfers and sets over to **Assignee**, all right, title and interest in and to the invention or inventions throughout the world, and the patents in the United States and any foreign country, and any and all divisions, continuations, extensions and reissues thereof, the right to claim priority to the United States application for any foreign application under the International convention, and any and all patents of the United States and foreign countries which may be granted therefor,

the same to be held and enjoyed by **Assignee** for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which the Letters Patents of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by **Assignor** if this assignment and sale had not been made.

And **Assignor** hereby authorizes and requests the Commissioner of Patents and Trademarks and other authority in foreign countries to issue any and all patents on the invention or inventions or resulting from the application and from any and all divisions, continuations, and reissues thereof, to **Assignee**.

Assignor hereby binds itself, its transferees, successors and assigns to warrant and forever defend the title to such patents to **Assignee**, its transferees, successors and assigns, forever against every person lawfully claiming such patents free and clear of any security interests, claims or encumbrances.

PATENT

REEL: 013964 FRAME: 0939

And **Assignor** further hereby covenants and agrees that it will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of such patents, to **Assignee**, its successors, assigns or other legal representatives and that if **Assignee**, its successors, assigns or other legal representatives shall desire to secure a reissue of such patents, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of **Assignee**, its successors, or other legal representatives.
