Docket No. **MED-016**

ASSIGNMENT

WHEREAS, Medcanica, Inc., (hereinafter designated as the assignor) is the record owner of the entire right, title and interest in and to the invention(s) disclosed in U.S. Serial Number **10/430,118** pursuant to assignments from the inventor Javier Castañeda, which is attached hereto and from inventor Ralph de la Torre which assignment was recorded in the United States Patent and Trademark Office on September 4, 2003 at REEL 13954 and FRAME 0538 for **DEVICE AND METHOD FOR HOLDING A BLOOD VESSEL**, and

WHEREAS, J. William Box, 300 Leucadendra Drive, Coral Gables, FL 33156, his heirs, successors, legal representatives and assigns (hereinafter designated as the Assignee) is desirous of acquiring the entire right, title and interest in and to said invention(s) and in and to any Letters Patent(s) that have been or may be granted therefor in the United States of America and throughout the world;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to the assignor in hand paid, the receipt of which is hereby acknowledged, and other good and valuable consideration, the assignor by and through its authorized representative **Christian Mazzola** has (have) sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention throughout the world and the entire right, title and interest in and to any and all Letters Patent(s) that may be granted therefor throughout the world, and in and to any and all divisions, reissues, continuations and extensions thereof for the full term or terms for which the same may be granted.

The assignor agree(s) to execute all papers necessary in connection with said applications and any continuing, divisional or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The assignor agree(s) to execute all papers necessary in connection with any interference which may be declared concerning the applications or continuation, division or reissue thereof or Letters Patent(s) or reissue patents issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference.

The assignor agree(s) to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The assignor agree(s) to perform all affirmative acts which may be necessary to obtain a grant of a valid patent(s) to the Assignee and to vest all rights therein hereby conveyed to said Assignee as fully and entirely as the same would have been held by the assignor if this Assignment and sale had not been made.

The assignor hereby authorize(s) and request(s) the Commissioner of Patents and Trademarks and all patent offices throughout the world to issue any and all Letters Patents for the above invention(s) to the said Assignee, as Assignee of the entire interest, and hereby covenants that he has (they have) the full right to convey the entire interest herein assigned, and that he has (they have) not executed, and will not execute, any agreement in conflict herewith.

ASSIGNMENT**MED-016**

WHEREAS, I, **Javier E. Castañeda**, hereinafter referred to as the "Inventor" a citizen of the United States whose post office address is 9520 SW 117 Court, Miami, FL 33186, have invented certain new and useful improvements in

DEVICE AND METHOD FOR HOLDING A BLOOD VESSEL

as described and set forth in an application for Letters Patent of the United States of America, executed by me on the 30th day of April, 2003, (Attorney Docket No. MED-016).

AND WHEREAS, **Medcanica, Inc.** hereinafter referred to as the "said COMPANY", a company existing under the laws of Florida and having a place of business at 8308 N.W. 74th Avenue, Miami, FL 33166, is desirous of acquiring or confirming its acquisition of the entire right, title and interest in and to said invention, inventions or improvements, and in and to said application, and in and to any and all patents, both of the United States and of all foreign countries, that may be obtained therefor;

NOW, THEREFORE TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that I, the Inventor, for good and valuable considerations, the receipt and sufficiency of which I hereby acknowledge, have sold, assigned, transferred and conveyed, and by this assignment do sell, assign, transfer and convey, unto said COMPANY, its successors and assigns, the entire right, title and interest throughout the world, in and to my invention, inventions or improvements described or set forth in said application, in any form or embodiment thereof, and in and to said application, and in and to any applications filed in any foreign country based thereon, including the right to file foreign applications under the provisions of any convention or treaty; and in and to any confirmation, divisional, continuation, continuation-in-part, or substitute application which may be filed on said invention, inventions or improvements in the United States or in any foreign country; and in and to any and all patents, certificates, utility models, reissues, extensions, additions or confirmations thereof which may be granted in the United States or in any foreign country upon said invention, inventions or improvements, TO HAVE AND TO HOLD the same to the full end of the term or terms for which any and all such United States and foreign patents and grants may be issued on said invention, inventions or improvements.

AND I do hereby authorize and request the issuing authority to issue any and all of said United States and foreign patents on said application or applications to said COMPANY, its successors and assigns, as the assignee of the entire right, title and interest in and to the same, for the sole use and benefit of said COMPANY, its successors and assigns.

AND I do hereby covenant and warrant that I have full right to convey the entire right, title and interest herein assigned free and clear of all licenses, encumbrances and liens whatsoever, and that I have not executed and will not execute any instruments in conflict herewith.

AND I, for the conditions aforesaid, do hereby covenant and agree to and with the said COMPANY, its successors and assigns, that I, my executors, administrators, or other personal representatives, shall and will do all lawful acts and things, make all rightful oaths, and make, execute, and deliver any and all other instruments in writing, and any and all further applications, papers, powers, affidavits, assignments, disclaimers and other documents, which in the opinion of counsel for said COMPANY, its successors and assigns, may be required or necessary in this or in any
