PATENT ASSIGNMENT

ALTEK INDUSTRIES CORP., a New York corporation ("Assignor"), having its principal offices at 35 Vantage Point Drive, Rochester, New York 14624; in consideration of one dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, does hereby assign and transfer to FLUKE CORPORATION ("Assignee"), a Washington corporation, having its principle offices at 6920 Seaway Boulevard, Everett, Washington 98203; its successors and assigns Assignor's entire interest in and to the Letters Patent; Certificates, Design Registrations, Industrial Models, Utility Models and all other forms of protection that may be granted thereon, including the right to file applications and the right to claim priority from the U.S. patent applications worldwide described on Schedule A attached hereto and in the inventions of or improvements disclosed or claimed in such letters patent and applications or otherwise described on such Schedule letters patent of the United States and all foreign countries which may or shall be granted on said letters patent and applications and inventions or any parts thereof or any division, continuing, reissue or other applications based in whole or in part thereon. And the Assignor agrees, for itself and its successors and assigns, with said Assignee and its successor's and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or property to secure the grant of letters patent in the United States and in all other countries to said Assignee, with specifications and claims in such form as shall be approved by the counsel of said Assignee, and to vest and confirm in said Assignee, its successor's and assigns, the legal title to all such patents and patent applications, including the right to sue and recover for past infringement.

And the Assignor does hereby authorize and requested the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all such letters patent as shall be granted upon said letters patents and/or applications or inventions to said Assignee, its successor's and assigns.

Executed as an instrument under seal this 16TH day of April, 2003.
