GLOBAL GENERAL ASSIGNMENT

WHEREAS the Yoshino Kogyosho Co., Ltd. (hereinafter YOSHINO), a corporation formed under the laws of Japan, jointly owns with The Procter & Gamble Company (hereinafter P&G), a corporation formed under the laws of the State of Ohio, United States of America, by virtue of assignment from the inventor, the invention as set forth in a patent application entitled **Package**, Attorney's Docket No. **AA-591F&** and filed in the Japanese Patent Office as Number **2002-190067** on 2002-02-28, including ownership of said invention in all countries of the world, the right to apply for and be granted a patent in all countries of the world, and the right to claim priority under all international conventions to the filing date of said Japanese patent application.

WHEREAS YOSHINO acknowledges that YOSHINO does not have the desire to file patent applications outside of Japan claiming said invention or to claim priority to said Japanese patent application.

WHEREAS P&G acknowledges that P&G has the desire to file patent applications in countries outside of Japan claiming said invention including claiming priority to said Japanese patent application.

THEREFORE, pursuant to separate agreements between YOSHINO and P&G, including good and valuable consideration, the receipt of which is hereby acknowledged, YOSHINO hereby assigns to P&G its legal representatives, successors and assigns, the entire right, title and interest (including the right to claim priority of the filing date of said jointly owned Japanese patent application under international conventions) in said invention as set forth in said patent application in all countries outside the country of Japan, and in all patents outside the country of Japan, including, but not limited to the United States of America and of any other country which may be issued for said invention, as fully and completely as the same would have been held jointly by us had this assignment not been made. The entire right, title and interest outside the country of Japan shall vest irrevocably in The Procter & Gamble Company. YOSHINO further agrees upon request, without additional compensation but at no expense to YOSHINO, to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as said Company may direct.

I/We request the United States Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention herein assigned and as set forth in U. S. Application Serial Number 10/603,144 (the hereinafter named assignee being authorized to insert said U.S. Serial Number when ascertained) to The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention and the invention covered thereby.

The ASSIGNMENT of said invention is effective as of the earlier of 1) the date of execution shown below or 2) the execution date of ADDENDUM between Yoshino Kogyosho Co., Ltd. and The Procter & Gamble Company.

GLOBAL GENERAL ASSIGNMENT

WHEREAS I/we, the undersigned inventor(s) herewith declare that I am the sole inventor/we are the joint inventors and I/we have made a certain invention as set forth in a patent application (including industrial designs and utility models) entitled **Package**, Attorney's Docket No. **AA-591F&** and filed in the Japan Patent Office as Number **2002-190067**, on **2002-06-28** (the hereinafter named assignee being authorized to insert said Number and filing date when ascertained);

Masaharu (NMN) Matsumoto of 1-6-9 Unobe, Ibaraki, Osaka 567-8560, Japan

I/We made said invention set forth in said patent application while employed by, or otherwise under an obligation to assign said invention to Yoshino Kogyosho Co., Ltd. and acknowledge my/our obligation at the time the invention was made to assign said invention to Yoshino Kogyosho Co., Ltd. Further, and in compliance with agreements between Yoshino Kogyosho Co., Ltd and The Procter & Gamble Company, I have been instructed by Yoshino Kogyosho Co., Ltd. to assign said invention jointly to Yoshino Kogyosho Co., Ltd. and The Procter & Gamble Company. Pursuant to said obligation I/we assign to Yoshino Kogyosho Co., Ltd. and The Procter & Gamble Company, their legal representatives, successors and assigns, the entire right, title and interest (including the right to claim priority of the filing date of said patent application under international conventions) in said invention as set forth in said patent application, and in all patents of Japan the United States and of any other country which may be issued for said invention, as fully and completely as the same would have been held by me/us had this assignment not been made. The entire right, title and interest shall vest irrevocably in Yoshino Kogyosho Co., Ltd. and The Procter & Gamble Company. I/We further agree upon request, without additional compensation but at no expense to me/us, to execute or assent to applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Yoshino Kogyosho Co., Ltd. and The Procter & Gamble Company, their legal representatives, successors and assigns, or as said Company may direct.

I/We request the United States Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention herein assigned and as set forth in U. S. Application Serial Number 10/140,214 (the hereinafter named assignee being authorized to insert said U.S. Serial Number when ascertained) to Yoshino Kogyosho Co., Ltd. and The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention and the invention covered thereby.

The ASSIGNMENT of said Invention is effective as of the earlier of 1) the date of execution shown below or 2) the filing date of Japanese patent application **2002-190067**.
