ASSIGNMENT

WHEREAS I, JIASHI YANG is the Inventor of the invention titled "PIEZOELECTRIC GYROSCOPE SYSTEM, AND METHOD OF USE"; and

WHEREAS I am the owner of record of a United States Patent Application of the title recited above which is being submitted to the United States Patent Office, the Serial Number of which is 10/160,638 ; (to be filled-in when available), and

WHEREAS I might pursue Foreign Patent Applications under the Cooperation Treaty and directly in Non-Member Nations which concern the same Invention and Improvements thereto; and

WHEREAS I am, under the terms of an Agreement or Employment Contract with the University of Nebraska, obligated to assign any and all Patent Applications and Patents which Issue thereon, Domestic and Foreign, Present and Future for said Invention and Improvements thereto to the Board of Regents of the University of Nebraska; and

WHEREAS the Board of Regents of the University of Nebraska is desirous of accepting an Assignment of any and all interest in said Application(s) for Patent(s) and Patent(s) which Issue thereon, Domestic and Foreign, Present and Future as provided for in said Agreement or Employment Contract with the Inventors;

NOW THEREFORE, in recognition of the receipt of One Dollar (\$1.00) and other good, valuable and sufficient consideration received from the Board of Regents of the University of Nebraska, I, JIASHI YANG, while retaining any right to share in Royalties, do:

1. Hereby Sell, Assign, Transfer and/or otherwise Set Over Without Reservation and conditions other than those recited herein, to the Board of Regents of the University of Nebraska, its Legal Representatives, Successors, Assigns etc. the entire interest in the Rights and Title to any Patent Applications and Patents which Issue thereon, Domestic and Foreign, Present and Future, for said Invention and Improvements; so that the Board of Regents of the University of Nebraska shall hereafter own all Rights and Title as fully and completely as I would have owned said Rights and Title were the present Assignment not made, with the full understanding that the entire Rights and Title to said Invention shall immediately vest, irrevocably, in the Board of Regents of the University of Nebraska, its Legal Representatives, Successors, Assigns etc.

2. Agree to execute all future documents as may be necessary to acquire issue of the Patent Application and additional Patents Applications for said Invention, and Improvements thereto, in the United States and in Foreign Countries.
