AND WHEREAS, the EUV Limited Liability Corporation, hereinafter referred to as "EUV LLC", organized and existing under the laws of the State of Delaware, having its principal office in Livermore, California 94550, desires, pursuant to the Intellectual Property Agreement relating to LLNL CRADA Case No. TC-1434-97, to acquire from THE REGENTS the entire right, title, and interest in, to, and under the patents and patent applications identified in Exhibits A and B including any and all reissue, divisional, continuation and reexamination applications thereof and any patents that may issue thereon, and the inventions described and/or claimed in such patents and patent applications, together with any and all foreign counterpart applications and/or foreign patents corresponding to such patents and patent applications (hereinafter collectively referred to as "INVENTIONS").
