Patent No.: United States Patent No. 6,246,996 ("the '996 patent")

Issue Date: June 12, 2001

Title: "Computerized System for Facilitating Transactions Between Parties On The Internet Using E-mail"

WHEREAS, PayPal Inc., a corporation duly organized under and pursuant to the laws of Delaware, and having its principal place of business at 303 Bryant St, Mountain View, California 94041 ("Assignee"), is desirous of acquiring the entire right, title, and interest in and to said inventions and said patents, including without limitation, the right to license or sublicense, the right to sue, recover damages, including without limitation, provisional or other royalties, for past, present, and future infringements of said patents, and the right to injunctive relief, and any and all causes of actions relating to said patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in and to said invention(s) and said patents, the right to file applications on said invention(s), the entire right, title and interest in and to any applications for Letters Patent of the United States or other countries claiming priority to said patents, including divisions, continuations, and continuations-in-part of said patents,

including without limitation, the right to license or sublicense, the right to sue, the right to recover damages, including without limitation, provisional or other royalties, for past, present, and future infringements of said patents, and the right to injunctive relief, and any and all causes of actions relating to said patents, the entire right, title and interest in and to any and all Letters Patents, United States or foreign, to be obtained for said invention(s), the entire right, title and interest in and to any and all reissues and extensions of said patents, and all rights under the Hague Convention, the Paris Convention for the Protection of Industrial Property, and under the Patent Cooperation Treaty, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to said invention(s), said application(s), and said patent(s), and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with said invention(s) or said patents, any application claiming priority to said application(s), any reissue or extension of said patents, and any United States or foreign Letters Patent or Patents for said invention(s), including interference proceedings, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention(s), without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby requests the Commissioner of Patents to issue any and all aforementioned patent(s) of the United States to the Assignee, as the Assignee of said invention(s) and the Letters Patent to be issued thereon for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
