**ASSIGNMENT**

For one dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned (hereinafter "Assignor") hereby sells, assigns and transfers to the J.T. Labs, Ltd., a corporation organized under the laws of China, its successors, legal representatives, assigns and nominees (hereinafter "Assignee"), his entire right, title and interest in, to, and under all of the following:

- a. Assignor's: provisional Patent Application No. 60/390,252 filed June 20, 2002; nonprovisional Patent Application No. 10/458,824, filed June 11, 2003; and International Application No. PCT/IB03/02225, all entitled "Animation Actuator and Related Devices".
- b. Any and all inventions described in said application for Letters Patent and said provisional patent application.
- c. Any and all patents or patent applications that may be filed, issued, published or registered in the United States or outside of the United States for any and all of said inventions, including but not limited to any provisional, divisional, continuation, renewal, reissue and substitute applications that may be filed for United States Letters Patent for any and all of said inventions, and any and all patent applications, patents, certificates of protection, statutory registrations, or supplementary protection certificates that may be filed or issued outside of the United States.
- d. Any and all patents that may be granted on the foregoing applications and any and all continuations, reissues, or extensions thereof.
- e. Any and all improvements thereon or relating thereto which assignors have invented.
- f. Any and all rights in foreign countries under such applications and inventions, including the right to claim the priority date of the United States provisional application and the right to priority under such application under the International Convention.

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all such Letters Patent for said invention to said Assignee.

Assignor further covenants and warrants that, to the best of his knowledge, the rights and properties herein conveyed are free and clear of any encumbrances and Assignee shall hold and enjoy any and all inventions, application, and Letters Patent issued thereon for its own use as fully and entirely as the Assignor would have held and enjoyed said rights had this assignment and sale not been made, including the full right of the Assignee to convey said rights.

Assignor further agrees on his own behalf and on behalf of his heirs, legal representatives, administrators, and assigns, at any time, upon request, without additional compensation, but at no expense, to:

1. Communicate to said Assignee any facts relating to the invention and the history thereof;
2. Execute and deliver all papers and do all acts which may be necessary, desirable, or convenient to secure, maintain, and enforce patents for said invention in any and all countries; and to execute and deliver any and all papers or instruments that in the opinion of Assignee may be necessary or desirable to vest title thereto in Assignee or its nominees, including the execution and delivery of any and all papers or instruments to carry out the terms of this Agreement, and to secure to Assignee the full enjoyment of the rights and properties herein conveyed or intended to be conveyed; and
3. Testify at all proceedings concerning said invention and patents.
