hereof in principal amounts not exceeding in the aggregate at any one time outstanding the Borrowing Base. The Revolving Loan shall be evidenced by a revolving loan note payable to Bank in the form of Exhibit A attached hereto (the "Revolving Loan Note").

**Section 2.2 - Procedure for Advances, Notice of Borrowing.** Within the limits of the Borrowing Base, so long as the Borrower is in compliance with all of the terms and conditions of this Agreement and no Event of Default shall have occurred and no condition exists which would constitute an Event of Default but for the giving of notice or passage of time, or both, the Borrower may borrow, repay and re-borrow Revolving Loans. Whenever the Borrower desires an advance, the Borrower shall give notice of the proposed borrowing in writing to the Bank (which notice shall be irrevocable). Such notice (each, a "Notice of Borrowing") shall be accompanied by a duly completed Borrowing Base Certificate dated as of the date of the requested advance, shall specify the date of the proposed borrowing and the amount to be borrowed. Each Notice of Borrowing must be received by Bank no later than 11:00 a.m., Hartford, Connecticut time on the day such borrowing is requested. Insofar as the Borrower may request and the Bank shall make Revolving Loans hereunder, the Bank shall enter such advances as debits on a revolving loan account maintained by the Borrower with the Bank (the "Revolving Loan Account"). The Bank may also record to the Revolving Loan Account, in accordance with customary banking procedures, all fees, accrued and unpaid interest, late fees, usual and customary bank charges for the maintenance and administration of checking and other bank accounts maintained by the Borrower and other fees and charges which are properly chargeable to the Borrower under this Agreement; all payments, subject to collection, made by the Borrower on account of indebtedness evidenced by the Revolving Loan Account; and all proceeds of collateral which are finally paid to the Bank in its own office in cash or solvent credits.

**Section 2.3 - Crediting of Deposits.** Deposited items shall be credited to the Obligations of the Borrower on the day of actual receipt by the Bank; provided, however, that all credits shall be conditional credits subject to collection and that returned items, at the Bank's option, may be charged to the Borrower; and further provided that for purposes of the computation of interest, items shall not be deemed to be collected until two (2) days after their actual receipt by the Bank.

**Section 2.4 - Debiting of Account.** The Bank shall have the right to debit the Revolving Loan Account for all interest charges on the Revolving Loans as and when the same shall be due and payable, if not otherwise paid by the Borrower.

**Section 2.5 - Use of Proceeds.** The Borrower represents that the proceeds of the Revolving Loan will be used to refinance existing indebtedness owed to other financial institutions and for working capital in the ordinary course of business, including trade letters of credit.

**Section 2.6 - Expenses.** The Borrower shall pay all out-of-pocket costs incurred by the Bank, including reasonable counsel fees and expenses, in connection with the making of the Loans.

**Section 2.7 - Repayment of Excess Borrowings.** If the outstanding balance of the Revolving Loan shall at any time exceed the Borrowing Base, the Borrower shall immediately repay such portion of the Revolving Loan as shall be necessary to reduce the Revolving Loan to the Borrowing Base.

### **ARTICLE III COLLATERAL**

**Section 3.1 - Grant.** To secure the prompt payment and performance of each and all of the Obligations, the Borrower pledges, assigns, transfers and grants to the Bank a continuing, first lien and security interest in the following property of the Borrower, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof, (herein collectively called the "Collateral"), subject only to Permitted Liens: all assets of every nature, including without limitation personal and fixture property of every kind and nature including without limitation all goods (including inventory, equipment and any accessions thereto), instruments (including promissory notes), documents, accounts (including health-care-insurance receivables), chattel paper (whether tangible or electronic), deposit accounts, letter-of-credit rights (whether or not the letter of credit is evidenced by a writing), commercial tort claims, securities and all other investment property, supporting obligations, any other contract rights or rights to the payment of money, insurance claims and proceeds, tort claims, and all general intangibles including, without limitation, all payment intangibles, patents, patent applications, trademarks, trademark applications, trade names, copyrights, copyright applications, software, engineering drawings, service marks, customer lists, goodwill, and all licenses, permits and agreements of any kind or nature pursuant to which the Borrower possesses, uses or has authority to possess or use property (whether tangible or intangible) of others or pursuant to which others possess, use or have authority to possess or use property (whether tangible or intangible) of the Borrower, and all recorded data of any kind or nature, regardless of the medium of recording including, without limitation, all software, writings, plans, specifications and schematics.

**Section 3.2 - Deposit of Receipts.** All receipts of every nature shall be deposited directly into the Borrower's Cash Collateral Account maintained at the Bank (Account #0009216163, provided, however, that from and after the occurrence of any Event of Default, at the request of the Bank, the Borrower will arrange to have all collections and other proceeds of Receivables forwarded directly to a separate lockbox account (the "Depository Account") maintained in the Borrower's name with the Bank. In the event the Bank shall require the Borrower to maintain such a lockbox account, then if and to the extent any proceeds of Receivables shall be received directly by the Borrower, the Borrower agrees that such proceeds shall be held in trust for the Bank and the Borrower shall keep all such collections separate and apart from all of their other funds and property; identify such collections and proceeds as the property of the Bank; and deposit immediately such collections in the Depository Accounts

maintained pursuant to this Section 3.2 in the identical form received. The Borrower shall not change or transfer the Depository Account without the Bank's prior consent.

**Section 3.3 - Returned Merchandise.** The Borrower shall promptly notify the Bank of any material credits, adjustments or disputes arising about the goods or services represented by Receivables, to the extent such credits, adjustments or disputes would, if adversely determined, have a material adverse effect on the business or financial condition of the Borrower or cause the Borrower to be in violation of any other term, covenant or condition of this agreement. In any event, the Borrower will immediately pay the Bank from its own funds (and not from the proceeds of Receivables), for application to the Revolving Loans, an amount equal to any credit or adjustment made to any Receivables; provided, however, that so long as the Borrower is not in default hereunder, such payment need not be made if the Borrower shall have, after making such credit or adjustment, sufficient Receivables and Inventory to maintain the aggregate outstanding balance of the Revolving Loans under the Borrowing Base. Any returned merchandise which qualifies as Eligible Finished Goods or Eligible Machines shall be included in calculating the Borrowing Base.

**Section 3.4 - Authorization to File Financing Statements.** The Borrower hereby irrevocably authorizes the Bank at any time and from time to time to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral (i) as all assets of the Borrower or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the Uniform Commercial Code of the State or such jurisdiction, or (ii) as being an equal or lesser scope or with greater detail, and (b) contain any other information required by part 5 of Article 9 of the Uniform Commercial Code of the State for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether the Borrower is an organization, the type of organization and any organization identification number issued to the Borrower and, (ii) in the case of a financing statement filed as a fixture filing or indicating Collateral as extracted collateral or timber to be cut, a sufficient description of real property to which the Collateral relates. The Borrower agrees to furnish any such information to the Bank promptly upon request.

**Section 3.5 - Other Actions.** Further to insure the attachment, perfection and first priority of, and the ability of the Bank to enforce, the Bank's security interest in any of the Collateral as to which perfection by the filing of a Uniform Commercial Code Financing Statement is not the appropriate and exclusive method of perfection, the Borrower agrees, in each case, at the Borrower's own expense, to take all such action as may be necessary to complete such perfection.

**Section 3.6 - Personal Guaranty - Collateral Assignment of Life Insurance.** The Obligation are further secured by the delivery of a Continuing Guaranty Agreement of Richard A. Brink and by a Collateral Assignment of Life Insurance Policy in the amount of \$1,000,000.

## ARTICLE IV REPRESENTATIONS AND WARRANTIES

(a) **Good Standing and Qualification.** BHS is a corporation duly organized and legally existing under the laws of the State of Connecticut and each of Gill and Guardian is a limited liability company duly organized and legally existing under the laws of the State of Connecticut. The Borrower has all requisite corporate or other power and authority to own its properties and to carry on its business as presently conducted and is duly qualified to do business in each jurisdiction wherein the character of the properties owned or leased by it therein or in which the transaction of its business therein makes such qualification necessary.

(b) **Corporate Authority.** The Borrower has full power and authority to enter into and perform the Obligations under this Agreement, to make the borrowings contemplated herein, to execute and deliver the Notes, and the other Financing Agreements and to incur the obligations provided for herein and therein, all of which have been duly authorized by all necessary and proper corporate action. (c) **Binding Agreements.** This Agreement constitutes, and the Notes and the other Financing Agreements executed and/or delivered in connection herewith or therewith, when issued and delivered pursuant hereto for value received shall constitute, the valid and legally binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, except as enforcement may be limited by principles of equity, bankruptcy, insolvency, or other laws affecting the enforcement of creditors' rights generally.

(d) **Litigation.** Except as set forth on Schedule 4.1(d), there are no actions, suits or proceedings pending against the Borrower before any court or administrative agency, nor are any actions, suits or proceedings threatened, which, either in any case or in the aggregate, would have a material adverse effect upon the financial condition, assets or operations (a "Material Adverse Effect") of the Borrower and there are no such actions, suits or proceedings which question the validity of this Agreement, the Note or any of the other Financing Agreements, or any action to be taken in connection with the transactions contemplated hereby or thereby.

(e) **No Conflicting Law or Agreements.** The execution, delivery and performance by the Borrower of this Agreement, the Notes and the other Financing Agreements (i) do not violate any provision of the Certificate of Incorporation or By-laws of the Borrower, (ii) do not violate any order, decree or judgment, or any provision of any statute, rule or

regulation, (iii) do not violate or conflict with, result in a breach of or constitute (with notice or lapse of time, or both) a default under any shareholder agreement, stock preference agreement, mortgage, indenture or contract to which the Borrower is a party, or by which any of its properties are bound, and (iv) do not result in the creation or imposition of any lien, charge or encumbrance of any nature whatsoever upon any property or assets of any of the Borrower except for the liens granted to the Bank hereunder and under the Mortgage.

(f) Taxes. With respect to all taxable periods of the Borrower, the Borrower has filed all tax returns which are required to be filed and all Federal, state, municipal, franchise and other taxes shown on such filed returns have been paid or are being diligently contested by appropriate proceedings and have been reserved against, as required by generally accepted accounting principles, consistently applied.

The Borrower has heretofore delivered to the Bank the consolidated balance sheet of the Borrower as of December 31, 2000, and the related consolidated statements of income, retained earnings and sources and uses of funds for the fiscal year then ended, and its internally-prepared financial statements for the six-month period ended June 30, 2001. Such statements are complete and correct in all material respects and fairly present the financial condition results of operations of the Borrower as of the dates and for the periods referred to and have been prepared in accordance with generally accepted accounting principles consistently applied by the Borrower throughout the periods involved. There are no liabilities, direct or indirect, fixed or contingent, of the Borrower as of the dates of said balance sheets which are not reflected in such statements or in the notes thereto, other than liabilities or obligations not material in amount which are not required to be reflected in corporate balance sheets prepared, in accordance with generally accepted accounting principles.

**EXHIBIT A**

**REVOLVING LOAN NOTE**

**\$2,000,000**

**November 9, 2001**

For value received, the undersigned **B H S, INC., L.M. GILL WELDING & MANUFACTURING, L.L.C. AND GUARDIAN AEROSPACE LLC** (collectively, the "Maker") hereby promise to pay to the order of **WEBSTER BANK** (the "Bank") at its office at CityPlace II, 185 Asylum Street, Hartford, Connecticut 06103, or at such other place as the holder hereof (including the Bank, hereinafter referred to as the "Holder") may designate, the sum of **TWO MILLION DOLLARS (\$2,000,000.00)** or such amount as may be outstanding hereunder, together with interest on the unpaid balance of this Note, beginning as of the date hereof, before or after maturity or judgment, at the Prime Rate on a floating basis, which rate shall be computed and payable monthly in arrears on the basis of a Three Hundred Sixty (360) day year and actual days elapsed, together with all taxes levied or assessed on this Note or the debt evidenced hereby against the Holder, and together with all costs, expenses and attorneys' and other professional fees incurred in any action to collect this Note or to enforce or foreclose any mortgage, security agreement or other agreement securing this Note or to protect or sustain the lien of said mortgage, security agreement or other agreement or in any litigation or controversy arising from or connected with said mortgage, security agreement or other agreement or this Note, whether or not legal proceedings are actually commenced. The term "Prime Rate" as used herein shall mean the interest rate published in the Wall Street Journal "Money Rates" section as the "Prime Rate". Any change in the interest rate because of a change in the Prime Rate shall become effective, without notice or demand, on the day on which any change in the Prime Rate is so published.

The principal amount of this Note shall be advanced pursuant to the Loan and Security Agreement between the Maker and the Bank dated of even date herewith (the "Loan Agreement"), and is subject in all respects to the terms and conditions of said Loan Agreement, including, but not limited to, the repayment terms and the termination date set forth in the Loan Agreement. All prepayment of this Note shall be without premium and penalty and may be reborrowed as provided in the Loan Agreement. The principal amount of this Note which remains outstanding shall be due and payable on October 31, 2003. Advances and payments on this Note may be evidenced by borrowing certificates, a grid (if any) attached to this Note or similar certificates or documents, or by an internal ledger account of the Bank which shall set forth, among other things, the principal amount of any advances and payments therefore. Accrued interest on the outstanding principal balance shall be paid on the first day of each and every month, commencing on December 1, 2001. The Holder may, in its sole discretion, charge any amounts due hereunder to the Maker's revolving loan account maintained with the Holder pursuant to the Loan Agreement. If the Bank chooses not to charge monthly interest to such revolving loan account or any other operating account, such monthly interest charge shall be billed to the maker at least ten (10) days prior to its due date in writing.

The Maker agrees that if an Event of Default shall occur under the Loan Agreement or any mortgage, security agreement or any other agreement securing this Note or any other note by the Maker to the Holder; then an Event of Default shall have occurred hereunder and, upon the happening of any such event, the entire indebtedness with accrued interest thereon due under this

**PATENT**

**REEL: 014033 FRAME: 0299**

Note shall, at the option of the Holder, be immediately due and payable without notice. Failure to exercise such option shall not constitute a waiver of the right to exercise the same in the event of any subsequent default. Upon the occurrence of such an event of default the interest rate on this Note shall automatically increase without notice or demand to a floating per annum rate equal to three percentage points (3.0) above the rate otherwise in effect hereunder.

In the event of the Maker's failure to pay any installment of interest, and/or to pay any other sum due hereunder or under the Loan Agreement for more than ten (10) days of the date it is due and payable, without in any way affecting the Holder's right to make demand hereunder or to declare an event of default to have occurred, a late charge equal to five percent (5%) of such late payment shall be assessed against the Maker and shall be due and payable immediately.

Notwithstanding any provisions of this Note, it is the understanding and agreement of the Maker and the Holder (and any guarantors of the Maker's liabilities) that the maximum rate of interest to be paid by the Maker (or guarantors of the Maker's liabilities) to the Holder shall not exceed the highest or the maximum rate of interest permissible to be charged by a commercial lender such as the Bank to a commercial borrower such as the Maker under the laws of the State of Connecticut. Any amount paid in excess of such rate shall be considered to have been payments in reduction of principal.

The Maker, and each and all guarantors of this Note hereby give the Holder a lien and right of set-off for all the Maker's liabilities upon and against all the deposits, credits, collateral and property of the Maker and guarantors, now or hereafter in the possession or control of the Holder or in transit to it. The Holder may, upon the occurrence of an event of default hereunder or upon demand for payment of any demand indebtedness owing from the Maker to the Holder, apply or set off the same, or any part thereof, to any liability of the Maker even though unmaturred.

Failure by the Holder to insist upon the strict performance by the Maker of any terms and provisions herein shall not be deemed to be a waiver of any terms and provisions herein, and the Holder shall retain the right thereafter to insist upon strict performance by the Maker of any and all terms and provisions of this Note or any document securing the repayment of this Note.

THE MAKER HEREBY WAIVES TRIAL BY JURY IN ANY COURT AND IN ANY SUIT, ACTION OR PROCEEDING ON ANY MATTER ARISING IN CONNECTION WITH OR IN ANY WAY RELATED TO THE FINANCING TRANSACTIONS OF WHICH THIS NOTE IS A PART AND/OR THE ENFORCEMENT OF ANY OF THE HOLDER'S RIGHTS AND REMEDIES, INCLUDING WITHOUT LIMITATION, TORT CLAIMS. THE MAKER ACKNOWLEDGES THAT IT MAKES THIS WAIVER KNOWINGLY, VOLUNTARILY AND ONLY AFTER CONSIDERATION OF THE RAMIFICATIONS OF THIS WAIVER WITH ITS ATTORNEYS,

THE MAKER AND EACH AND ALL GUARANTORS OF THIS NOTE ACKNOWLEDGE THAT THE LOAN EVIDENCED BY THIS NOTE IS A COMMERCIAL TRANSACTION AND WAIVE THEIR RIGHTS TO NOTICE AND HEARING UNDER CHAPTER 903a OF THE CONNECTICUT GENERAL STATUTES, OR AS OTHERWISE ALLOWED BY ANY STATE OR FEDERAL LAW WITH RESPECT TO ANY PREJUDGMENT REMEDY WHICH THE HOLDER MAY DESIRE TO USE, and further,

waive diligence, demand, presentment for payment, notice of nonpayment, protest and notice of protest, and notice of any renewals or extensions of this Note, and all rights under any statute of limitations, and all guarantors agree that the time for payment of this Note may be extended at the Holder's sole discretion, without impairing their liability thereon, and further consent to the release of all or any part of the security for the payment hereof, at the discretion of the Holder, or the release of any party liable for this obligation without affecting the liability of the other parties hereto. THE MAKER ACKNOWLEDGES THAT IT MAKES THIS WAIVER KNOWINGLY, VOLUNTARILY AND ONLY AFTER CONSIDERATION OF THE RAMIFICATIONS OF THIS WAIVER WITH ITS ATTORNEYS,

This Note shall be governed by and construed in accordance with the laws of the State of Connecticut (but not its conflicts of law provisions).

This Note is secured by and pursuant to a Loan and Security Agreement dated the date hereof, between the Maker and the Bank.
