ASSIGNMENT

WHEREAS I, **Karl JURDENS**, whose full post office address is 225 Roxton Drive, Waterloo, Ontario, N2J 1N7, am the sole inventor of an invention entitled

CLINCHED NUT DEVICE

for which an application for United States Design Patent was executed by me on November 20, 2002;

AND WHEREAS **BES TOOL & DIE LTD.** of 28 Cherry Blossom Road, Cambridge, Ontario N3H 4R7, (hereafter, together with any successors and assigns thereof, called "Assignee"), wishes to acquire the entire right, title and interest in and to said application, as well as any corresponding applications filed anywhere in the world;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to said design, and said application and all divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents and industrial designs (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said design in any countries of the world, and all patents and industrial designs (including all extensions, renewals and reissues thereof) granted for said design in any countries of the world; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of any other countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said design and corresponding industrial design registrations to Assignee in accordance with the terms of this assignment;

AND I HEREBY further covenant and agree that I will communicate to Assignee any facts known to me respecting said design, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said design in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand this 20th day of November, 2002.

KARL JURDENS 1/s
