**WHEREAS**, Standex has transferred substantially all of the business assets of its Williams Healthcare Systems division and the business to which the above patents relate to

Williams Healthcare Systems LLC, an Ohio company having a principal place of business at 158 North Edison Avenue, Elgin, Illinois 60123 (the "Company"); and

**WHEREAS**, as a part of said transfer of business assets, Standex desires to transfer to the Company, the above-mentioned patents, the right to take over prosecution of said patents and all rights in and to any patents which may issue from the said patents;

**NOW, THEREFORE**, Standex does hereby assign unto the Company all of Standex's entire right, title and interest in and to all of the inventions and technology embodied in the patents listed above (including the right to take over prosecution of any patents pending and all ownership rights of Standex in and to any patent which may issue from the patents pending) and in and to all any and applications for patents in other countries in the world involving the patents listed herein;

**AND FURTHER**, Standex does hereby fully assign unto the Company all of Standex's entire right, title and interest in and to and all patents which may be granted therefore and which may be filed thereon, and all reissues, revivals, re-filings, continuations, divisionals, continuations-in-part, re-examinations, renewals and extensions thereof; and in all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property, including rights of priority resulting from the filing of any of said patent applications and in and to the right of Standex to sue, either at law or equity and to recover for any past or future infringement of the patent listed herein and invention relating thereto.

**AND FURTHER**, Standex hereby authorizes and requests the United States Commissioner of Patents and Trademarks and all other issuing authorities to issue all Patents on said invention or resulting therefrom to the Company as assignee of the entire interest, and covenants that Standex has the full right to do so, and agrees that Standex will communicate to the Company or its representatives any facts known to it respecting said inventions and testify in any legal proceeding, execute all divisional, continuing and reissue applications and all assignments of said inventions and of the right to apply for Letters Patents therefrom in all countries, make all rightful oaths, sign all other lawful papers and generally do everything reasonably possible to aid the Company, its successors, assigns and nominees, to obtain and enforce proper patent protection for said invention in all countries in the world all at the sole expense of the Company.

**AND FURTHER**, Standex authorizes any officer of the Company to execute on behalf of Standex all documents necessary for the filing of any such applications including divisional, continuing and reissue applications and all assignments of said inventions and all documents necessary to apply for Letters Patents therefore in all countries including making all rightful oaths, signing all other lawful papers, and generally doing everything reasonable and necessary on behalf of Standex to obtain and enforce proper patent protection for the Company for said inventions in all counties in the world.

IN WITNESS WHEREOF, Standex has executed this instrument effective the 23<sup>rd</sup> day of April, 2003.
