ASSIGNMENT

This Assignment is made by and between **Richard M. Burch**, an individual residing at 1741 Pheasant Ridge Trail, Knoxville, TN 37922 ("Assignor") and **ARR-MAZ PRODUCTS, L.P.**, a Delaware limited partnership ("Assignee"), having an address of 777 S. Harbour Island Boulevard, Suite 250, Tampa, FL 33602.

WHEREAS, Assignor is the exclusive owner of the entire right, title and interest in and to the patents and patent applications set forth in Schedule A and the inventions described therein ("The Patent Rights"), and is willing to convey said entire right, title and interest to Assignee; and

WHEREAS, Assignor and Assignee are parties to a certain Asset Purchase Agreement of even date herewith, which provides for, among other things, the assignment of the Patent Rights from Assignor to Assignee.

NOW, THEREFORE, in consideration of the mutual covenants and obligations contained herein and in the Asset Purchase Agreement and other good and valuable consideration paid to Assignor the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer, and set over to Assignee and its successors, assigns, and nominees without any restrictions, reservations or limitations:

The entire and exclusive right, title and interest in and to The Patent Rights and all inventions or improvements described therein, reissues, reexaminations and extensions thereof in and for the United States of America and all foreign countries, including all treaty and convention rights.

And all priority rights derived from The Patent Rights and the applications therefor by virtue of the International Convention for the Protection of Industrial Property in any and all member countries of the aforesaid International Convention and any other law, treaty or international convention, now existing or hereafter coming into being.

And the sole right to file additional patent applications arising from The Patent Rights and the inventions or improvements described therein under the patent laws of any jurisdiction of the world in its name, and the sole right to have patents granted on

such applications in its name to the full end of the term for which such patents may be granted as fully and entirely as the same would have been held by had this assignment not been made, and to enforce The Patent Rights and patents issuing from the patent applications with the right to sue for and recover for its own use and be granted injunctions, profits or damages for any and all infringements therefor, including but not limited to, the right to sue for past, present and future infringements, with respect to which Assignor hereby waives any right to receive any portion thereof.

And by this covenant Assignor will execute or procure any further necessary assurance of title to said inventions, and Letters Patent; and at any time upon the request and at the expense of Assignee will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said inventions and Letters Patent, which may be granted thereafter in Assignee, its successors, assigns or other legal representatives, and upon the request and at the expense of Assignee will execute any additional or divisional applications for patents for said inventions, or any part of parts thereof, and for the reissue of any Letters Patent to be granted therefor, and will make all rightful oaths and do all lawful acts requisite for procuring the same and aiding therein, without further compensation, but at the expense of Assignee, its successor, assigns, or other legal representatives.

ASSIGNOR:

Richard M. Burch
