ASSIGNMENT

IN CONSIDERATION of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Allerderm Laboratories, Inc., a corporation of California, having a place of business at 1330C Redwood Way, Petaluma, California, 94954, and the assignee, by virtue of an Assignment Recorded in the United States Patent and Trademark Office on May 24, 2001 at Reel 011842/Frame 0178, of the entire interest in the application for United States Letters Patent which has been filed in the United States Patent and Trademark Office on March 8, 2001 with the title SKIN CLEANSER, and which was designated Application Serial No. 09/802,047, intending to be legally bound;

HEREBY SELL, assign and transfer to Dow Pharmaceutical Sciences, a corporation of California, having a place of business at 1330A Redwood Way, Petaluma, California, 94954 (hereinafter referred to as "Assignee"), its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent identified above, and in and to said application and all divisional, continuation, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements, including the right to claim in other countries the right of priority of any of said applications under the (Paris) International Convention; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

AGREE THAT said Assignee may apply for and receive Letters Patent for said improvements in its own name, and that, Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuation, substitute, renewal, reissue, and all other patent applications on any and all said improvements, execute all rightful oaths, Assignments, Powers of Attorney and other papers, communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives;

COVENANT WITH said Assignee, its successors, assigns and legal representatives that no Assignment, grant, mortgage, license or other Agreement affecting the rights and property

herein conveyed have been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
