If there is more than one Assignor or Assignee, the words "Assignor" and "Assignee" shall include them.

This assignment relates to:

a United States patent application signed by Assignor on 5/5, 2003 and entitled BATTERY CHARGER; or

a United States patent application filed in the U.S. Patent and Trademark Office on _____, 20__, assigned Serial No. _____; or

an issued United States patent, issued on _____, 20__, under United States Patent No. _____.

This patent application or issued patent is hereinafter referred to as "the Patent".

Assignor has received Ten Dollars (\$10.00) and other good and valuable consideration for this assignment.

Assignor assigns to Assignee all of Assignor's right, title and interest in the Patent, the invention described and claimed in the Patent, and all patents that may issue based on the invention and on the Patent in the United States *and in every foreign country*. *Assignor also assigns to Assignee all priority rights in the Patent.**

*In those countries where permitted, the Assignor authorizes the Assignee to apply for patents for the invention directly in Assignee's name.** Assignor authorizes the Commissioner of Patents and Trademarks or other governmental authority to issue all patents for the invention directly to Assignee.

Assignor states that Assignor has the right to grant to Assignee the rights which are assigned by this assignment. Assignor will sign any additional documents as may be needed to carry out the purpose of this assignment.

* Strike italicized sections *only if foreign rights are not intended to be assigned.*
