described and claimed in International Application for Letters Patent, Application No. PCT/CH01/00450 filed July 19, 2001, designating the United States of America.

WHEREAS, Textilma AG, a corporation organized and existing under the laws of the Country of Switzerland, having its principal place of business at Seestrasse 97, CH-6052 Hergiswil, Switzerland, is desirous of acquiring the entire right, title and interest in and to said invention, any application for Letters Patent and any patents issued thereon in the territory of the United States;

I hereby authorize and request the Patent and Trademark Office Officials in the United States of America to issue any and all of said Letters Patent(s), when granted to said Textilma AG, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said Textilma AG, its successors and assigns.

Further, I agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said Textilma AG, its successors and assigns may require to enable it or them to procure Letters Patent on said invention or reissues, reexaminations, or extensions thereof in the United States of America, and/or to hold, enforce or convey said Letters Patent, reissues, reexaminations or extensions.
