ASSIGNMENT

WHEREAS, I, Matthew R. MARTIN, a citizen of the United States, residing at 3 Felix Avenue, Remsenberg, New York 11960; and

WHEREAS, I, Kenneth A. PALADINO, a citizen of the United States, residing at 97 Pineway Avenue, Mastic Beach, New York 11951.

both hereinbelow called "Assignors" have made a certain new and useful invention for

RADIOPHARMACEUTICAL SHIPPING PIG WITH ENCAPSULATED LEAD SHIELDING

described in the accompanying Utility Application for Letters Patent of the United States; and

WHEREAS, BIODEX MEDICAL SYSTEMS, INC., a corporation organized and existing under and by virtue of the laws of the State of New York, and having offices and doing business at Brookhaven R&D Plaza, 20 Ramsay Road, Box 702, Shirley, New York 11967-0702, and elsewhere, hereinbelow called "Assignee," is desirous of securing the entire right, title and interest in and to said invention, said utility patent application and ensuing Letters Patent, when granted, and in and to any divisions, continuations, continuations-in-parts, improvements, reexaminations, reissues or extensions that may be made or granted thereon;

NOW, THEREFORE, BE IT KNOWN that for and in good and valuable consideration, the receipt of all of which is hereby acknowledged, we, the Assignors, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the Assignee, its successors, assigns and nominees,

the entire right, title and interest throughout the world in and to the invention, utility patent application and ensuing Letters Patent, when granted, and in and to any divisions, continuations, continuation-in-parts, improvements, reexaminations, reissues or extensions that may be made or granted on any of them; and

FOR THE CONSIDERATION AFORESAID, we hereby covenant and agree that whenever requested by said Assignee, its counsel or representative, the Assignee's successors, assigns, nominees, or the counsel or representative of the Assignee's successors, assigns, or nominees, to execute any papers or drawings for procurement of valid Letters Patent for the invention or for the reissue, reexamination, division, continuation or extension of the same, we will do so and will take all rightful oaths and affidavits, and do all acts necessary or required to be done, including testifying at an interference proceeding, to secure to the said Assignee, its successors, assigns or nominees, the title to and full benefit of all rights hereby assigned, without charge to said Assignor, but at the expense of the Assignee, its successors, assigns or nominees; and

FOR THE CONSIDERATION AFORESAID, we have sold, assigned, transferred and set over and by these presents do sell, assign, transfer and set over unto the said Assignee, its successors and assigns, or the nominees of any of them, the entire right, title and interest in and to any and all Letters Patent for said invention which may be granted in countries foreign to the United States, and in and to any applications for Letters Patent which may be filed for said invention in countries foreign to the United States, and in and to the invention described in said applications; and we hereby authorize and empower said Assignee and its successors, assigns or nominees, to apply for Letters Patent or other form of protection on said invention in its own name or in the name of its successors, assigns or nominees, in any or all countries where it may desire to file such application, and where said application may be filed by another other than the inventor; and we hereby covenant and agree to sign all papers and drawings,

take all rightful oaths, execute all rightful affidavits, and do all acts necessary or required to be done for the procurement and maintenance of Letters Patent or other form of protection for said invention in countries foreign to the United States, and for further investing or confirming the right and title thereto in the Assignee, its successors, assigns or nominees, without charge to said Assignors, but at the expense of the Assignee, its successors, assigns or nominees;

TO HAVE AND TO HOLD the same to the full end of the term or terms for which Letters Patent may be granted, as fully and completely as the same might be held by us had this sale and assignment not been made;

AND The Commissioner of Patents is requested to issue said Letters Patent, when granted, in accordance with this sale and assignment.

We declare under penalty of perjury under the laws of the United States of America that we have signed this document as our own free act and that all of the foregoing is true and correct.
