ASSIGNMENT

For good and valuable consideration paid to me, Drake M. LaFace, residing at 5416 Caminito Exquisito, San Diego, California 92130, by Canji, Inc., a corporation organized under the laws of the State of Delaware, United States of America, having its principal office at 3525 John Hopkins Court, San Diego, California 92121, United States of America, (hereinafter called "Assignee"), I do hereby sell, assign and transfer to said Assignee my entire right, title and interest in all countries of the world in and to any and all of my inventions and discoveries in:

Methods and Compositions To Induce Antitumor Response

as described and/or claimed in the patent applications identified as:

- a) United States Patent Application filed on October 13, 1999, United States Patent Application No. 09/416,813 attorney docket No. CJ-0937Q US,

and to the right to file patent applications in the name of Assignee, its designee, or in any or all of my names, at its election, on the aforesaid inventions and discoveries in all countries of the world, together with all rights of priority in the aforesaid countries deriving from the above-identified patent application under the International Convention for the Protection of Industrial Property, under the Inter-American Convention relating to Inventions, Patents, Designs and Industrial Models and under any other international arrangement to which the United States now is or hereafter becomes a signatory, in and to any and all Letters Patent that issue on any of the aforesaid patent applications, and in and to any continuations, divisions, reissues, renewals and extensions thereof of any of said Letters Patent, the same to be held and enjoyed by said Assignee, its successors, assigns and other legal representatives, to the full ends of the terms for which a Letters Patent therefor may be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

And I hereby covenant and agree that I will at any time, upon the request and at the expense of Assignee, execute and deliver any and all documents that may be necessary or desirable to perfect the title to the foregoing inventions and discoveries, patent applications, and Letters Patent and continuations, divisions, reissues, renewals and extensions thereof in Assignee, its successors, assigns or other legal representatives, including the execution and procurement of any and all further documents evidencing this assignment and sale as may be
