(hereinafter referred to as ASSIGNORS), have invented a certain invention entitled:

"INTEGRATED CIRCUIT WITH REVERSE ENGINEERING PROTECTION"

for which application for Letters Patent of the United States has been executed on even date herewith, and which application claims the benefit of U.S. Provisional Application(s) No(s). 60/378,155, filed on 14 May 2002, under 35 U.S.C. Section 119(e);

WHEREAS: HRL Laboratories, LLC

A Limited Liability Company formed under the laws of the State of Delaware, United States of America,

having its principal place of business at:

3011 Malibu Canyon Road
Malibu, California 90265-4799

(hereinafter referred to as ASSIGNEE), is desirous of confirming that it has acquired the entire interest in, to and under said invention and in, to and under Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that ASSIGNORS, for good and valuable consideration, hereby confirm that, effective as of the date of filing said U.S. Provisional Application, that they did sell, assign and transfer to ASSIGNEE the full and exclusive right, title and interest to said invention in the United States and its territorial possessions and in all foreign countries,
including the right to claim priority under any applicable provisions
of the International Convention and the Patent Cooperation Treaty and
to all Letters Patent or similar legal protection in the United
States and its territorial possessions and in any and all foreign
countries to be obtained for said invention by said application or
any continuation, division, renewal, substitute or reissue thereof or
any legal equivalent thereof in a foreign country for the full term
or terms for which the same may be granted.

ASSIGNORS hereby covenant that no assignment, sale, agreement or
encumbrance has been or will be made or entered into which would
conflict with this assignment and sale;

ASSIGNORS further covenant that ASSIGNEE will, upon its request, be
provided promptly with all pertinent facts and documents relating to
said application, said invention, assignments related to said
application or said invention, and said Letters Patent and legal
equivalents in foreign countries as may be known and accessible to
ASSIGNORS and will testify as to the same in any interference or
litigation related thereto and will promptly execute and deliver to
ASSIGNEE or its legal representatives any and all papers, instruments
or affidavits required to apply for, obtain, maintain, issue and
enforce said application, said invention and said Letters Patent and
said equivalents thereof in any foreign country which may be
necessary or desirable to carry out the purposes thereof.
