## ASSIGNMENT OF PATENTS

This is an assignment of patents by Casino Concepts, Inc., a New Jersey corporation, (hereinafter "Assignor") to Casinos Austria Research and Development GmbH (dba CARO), an Austrian corporation (hereinafter "Assignee").

WHEREAS, Assignor is the sole owner of all right, title and interest in and to U.S. Patent Nos. 4,832,342 and 4,497,488 (hereafter the "Patents"); and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Patents; and

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign and transfer to Assignee, its successors, assigns and legal representatives for the territory of the United States of America and throughout the world, all right, title and interest in and to the Patents, as well as all reexaminations and reissues issuing on the Patents, and all rights to sue and recover for damages by reason of past infringement of the Patents, the same to be held and enjoyed by Assignee for its own use and benefit, and for the use and benefit of its successors, assigns, and legal representatives, to the end of the term or terms for which the Patents are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made.

Assignor warrants that it is the owner of all right, title and interest in and to the Patents, and Assignor will promptly provide to Assignee the originals of all assignments of the Patents in Assignor's possession.

Assignor warrants that the abandonment of U.S. Patent No. 4,832,342, due to the failure to pay the 12 year maintenance fee, was unintentional. Assignor agrees to cooperate and assist in any proceedings to revive U.S. Patent No. 4,832,342, including, but not limited to, making a statement that the abandonment was unintentional.

Assignor further agrees that it will, at any time upon request, execute and deliver any and all lawful papers that may be necessary or desirable to perfect the title to the Patents in Assignee and its successors, assigns, and legal representatives.

IN WITNESS WHEREOF, the Assignor by its duly authorized representative has caused this Assignment of Patents to be effective on the date shown below:

CASINO CONCEPTS, INC.

By:

  
Dr. Conrad Foblejo

Its: President
