GE Docket No. 126413

ASSIGNMENT

In consideration of One Dollar and/or other good and valuable consideration, of which I acknowledge receipt, I, **Barra O'Fathaigh of 2532 McVitty Road, Roanoke, Virginia 24018**, respectively, sell and assign to **General Electric Company, a New York Corporation, located at 1 River Road, Schenectady, New York 12345 USA**, its successors and assigns the entire right, title and interest in and to the improvements "**Roll Gap Control For Coiler**" (**GE Docket No. 126413 and Atty. Docket No. 58629.000005**) invented by me, as described in the application for United States patent filed **August 15, 2001 (U.S. Application Serial No. 09/929,494)**, and any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said improvements or resulting therefrom to said General Electric Company, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Company, I will communicate to said Company or its representatives or nominees any facts known to me respecting said improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company, its successors, assigns, and nominees to obtain and enforce proper patent protection for said improvements in all countries.

The aforementioned Assignor, **Barra O'Fathaigh of 2532 McVitty Road, Roanoke, Virginia 24018**, respectively, hereby declares that all statements made herein of his own knowledge are true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
