**ACKNOWLEDGEMENT OF TRANSFER
OF CERTAIN PATENTS, TRADEMARKS AND DOMAIN NAMES
TO INFOCUS CORPORATION BY OPERATION OF LAW**

THIS ACKNOWLEDGEMENT is made and entered into this 19 day of ^{May}~~April~~, 2003, by and between MIND PATH TECHNOLOGIES, INC., a Texas corporation, ("Mind Path"), PROXIMA CORPORATION, a Delaware corporation ("Proxima"), and INFOCUS CORPORATION, an Oregon corporation ("InFocus").

RECITALS

- A.** InFocus is a duly organized and existing Oregon corporation;
- B.** InFocus is the former parent corporation of Proxima and Mind Path in that: (i) InFocus owned all of the issued and outstanding shares of capital stock of Proxima (which made Proxima a first-tier, wholly-owned subsidiary of InFocus), and (ii) Proxima, in turn, owned all of the issued and outstanding shares of capital stock of Mind Path (which made Mind Path a first-tier, wholly-owned subsidiary of Proxima, and an indirect, second-tier subsidiary of InFocus);
- C.** InFocus, Proxima and Mind Path all acknowledge that InFocus has acquired certain patents and trademarks, and a certain domain name, as a result of the dissolution of Mind Path (whereby all of the assets of Mind Path were distributed to Proxima, as its sole shareholder), and the subsequent merger of Proxima into InFocus (whereby all of the assets of Proxima were transferred to InFocus by operation of law); and
- D.** InFocus, Proxima and Mind Path desire to document herein, for purposes of transferring legal title, InFocus' ownership of such patents, trademarks and domain name;

NOW, THEREFORE, the parties hereto acknowledge and agree as follows:

1. Transfer from Mind Path Products to Mind Path.

1.1 Mind Path Products, Inc., a Texas corporation ("Mind Path Products"), is the owner of record of all patents listed in the attached Schedule A (collectively, the "Patents").

1.2 Mind Path Products was legally merged with and into Mind Path on December 12, 1986. A copy of the Articles of Merger is attached as Exhibit A. As a result of such merger all of the Patents were transferred to Mind Path by operation of law, although the Patents were never officially transferred of record in the U.S. Patent and Trademark Office.

2. Transfer from Mind Path to Proxima.

2.1 Mind Path adopted and used the trademarks listed on the attached Schedule A, and owned all right, title and interest to the same, including all goodwill and common law rights associated therewith (collectively the "Marks"), and was granted registration of the domain name listed on the attached Schedule A (the "Domain Name").

2.2 Mind Path was dissolved and liquidated, with the approval of Proxima as the sole shareholder of Mind Path, on December 30, 2002. A copy of the Certificate of Dissolution issued by the Texas Secretary of State is attached hereto as Exhibit B. All of Mind Path's right,

title and interest in the Patents, Marks and Domain Name and all good will in the business connected to the use of the Marks was, as a result of such dissolution, transferred and distributed to Proxima (as the sole shareholder of Mind Path) in redemption and cancellation of all of the outstanding shares of capital stock that Proxima owned in Mind Path.

3. Transfer from Proxima to InFocus.

3.1 Proxima entered into a Plan and Agreement of Merger with InFocus on December 20, 2002. Proxima filed a Certificate of Ownership and Merger with the Delaware Secretary of State on February 26, 2003, a copy of which are attached hereto as Exhibit C, and InFocus filed Articles of Merger with the Oregon Secretary of State on February 26, 2003, a copy of which are attached hereto as Exhibit D, whereby Proxima was legally merged with and into InFocus.

3.2 All of Proxima's right, title and interest in the Patents, Marks and Domain Name and all good will in the business connected to the use of the Marks was transferred, by operation of law, to InFocus as a result of such merger.

4. Acknowledgment of InFocus' Ownership of Patents, Marks and Domain Name. Proxima and Mind Path acknowledge and agree that all right, title and interest that they previously owned in the Patents, Marks and Domain Name and all good will in the business connected to the use of the Marks has been transferred to InFocus as a result of the dissolution of Mind Path and the subsequent merger of Proxima into InFocus, and that InFocus is now the lawful owner of the Patents, Marks and Domain Name and all rights therein. Proxima and Mind Path hereby release any and all right, title and interest that they may have in the Patents, Marks and Domain Name and hereby transfer and assign any and all such right, title and interest to InFocus.

5. Recording the Transfers to InFocus.

5.1 InFocus, Proxima and Mind Path agree that it is in the best interest of all parties, in order to avoid the time and expense of having to file multiple assignments with the U.S. Patent and Trademark Office, for Mind Path to make a direct transfer of the Patents, Marks and Domain Name to InFocus, rather than assigning the same to Proxima and Proxima, in turn, assigning the same to InFocus.

5.2 InFocus, Proxima and Mind Path will, upon mutual execution of this Acknowledgement, take all action necessary to transfer record title to the Patents, Marks and Domain Name from Mind Path directly to InFocus. Proxima and Mind Path hereby covenant and agree that they will, at the request of InFocus or its counsel, take all further acts, and execute, acknowledge and deliver all further deeds, assignments, transfers, powers of attorney and assurances, as may be required to transfer and vest title to and in the Patents, Marks and Domain Name to InFocus.

5.3 Proxima hereby consents to Mind Path transferring and assigning the Patents, Marks and Domain Name directly to InFocus in order to avoid the time and expense of filing multiple assignments with the U.S. Patent and Trademark Office.

5.4 InFocus, Proxima and Mind Path hereby request that the Patent and Trademark Office record this Acknowledgement of Transfer as provided in 37 CFR Part 3 in order to reflect

the transfer of all rights, title and interests in the Patents and Marks to InFocus and to record InFocus as the owner thereof in the records of the Patent and Trademark Office.

6. Miscellaneous Provisions. This Acknowledgement is the entire, final and complete agreement and understanding of the parties regarding the subject matter hereof. No modification or amendment of this Acknowledgement shall be valid, unless the same is in writing and signed by all parties. The provisions of this Acknowledgement shall inure to the benefit of, and shall be binding upon, the parties and their respective successors and assigns. No waiver of any provision of this Acknowledgement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be effective unless made in writing. This Acknowledgement shall be governed, construed and enforced in accordance with the laws of the State of Oregon, without regard to its conflict of law principles.

IN WITNESS WHEREOF, the parties have executed this Acknowledgement and caused the same to be duly delivered on the day and year first set forth above.
