**ASSIGNMENT OF INVENTION  
(Utility or Design)**

WHEREAS, HECTOR HERNANDEZ and JAIMIE NASH, herein Assignor(s), have invented a certain new and useful invention (herein Invention) Attorney Docket No. 9410, described in the United States Design Patent Application entitled KNIFE HANDLE, filed on the same day as the execution of this Assignment of Invention;

AND WHEREAS, Alltrade Tools LLC, a limited liability company organized under the laws of the State of California, herein Assignee, whose address is 1431 Via Plata, Long Beach, CA 90810-1462, desires acquiring the entire right, title and interest in, to and under the said Invention and any patent and patent application thereon and all rights thereunder;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the said Assignor(s), have sold, assigned, transferred, set over, and by these presents do sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said Invention, and all rights in any country to any patent and patent application thereon, including, but not limited to, any and all causes of action based thereon and any and all claims, both past and future, to damages, royalty, or any other compensation, and any patent application based on the utility application and the priority rights thereto pursuant to the International Convention for the Protection of Industrial Property, including the right to filed in Assignee's name an international patent application under the Patent Co-operation Treaty, and to all divisions, renewals, and continuations and the like of any patent application thereon, and all extensions, renewals and reissues and the like of any patent thereon; and hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents, to issue the patents on the aforesaid applications to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND THE ASSIGNOR(S) HEREBY warrants that he has the full right to convey the interest herein assigned, and has not executed, and will not execute, any agreement in conflict herewith, and that the rights and benefits assigned hereunder are free and clear of any lien, encumbrance, adverse claim or interest, and have not been licensed to anyone under the Invention or said patent applications or patents.

AND THE ASSIGNOR HEREBY further agrees to communicate to the said Assignee, its successors, legal representatives and assigns, any facts known respecting said Invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications and the like, make all rightful oaths or declarations, and generally do everything reasonable to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said Invention in all countries.

IN TESTIMONY WHEREOF, the Assignor hereunto set his hand and seal this 29th day of May 2003.
