## ASSIGNMENT

WHEREAS, I,

(1) **David N. Clay** (Assignor) of 2921 Oak Bend Ct., Flower Mound, TX 75028

has jointly with James J. Keller invented certain improvements in an invention titled:

### **Ink Fountain Mechanism** (the invention)

for which an application for Letters Patent of the United States of America was duly executed and was filed on December 9, 2002, as Serial Number 10/314,738, (the application) and

WHEREAS, **James J. Keller** (Assignee), a joint inventor and an individual having a mailing address of 7442 E. Sweetwater Ave, Scottsdale AZ, is desirous of obtaining the entire right, title, and interest in, to and under the invention and the application in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and other good and valuable consideration, I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto Assignee, his successors, legal representatives, and assigns, the entire right, title, and interest in, to and under the invention, and the application, and all divisional, renewal, substitutional, Continuation-In-Part and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for the invention in any country or countries foreign to the United States of America, and all extensions, renewals, and reissues thereof, and all prior patents and patent applications from which a filing priority of the above-described patent application may be obtained, including the right to collect past damages; and I hereby authorize and request the Commissioner of Patents of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for the invention to James J. Keller, his successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that we will communicate to said Assignee, his successors, legal representatives and assigns, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, renewal, substitutional, continuing, and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid Assignee, James J. Keller, his successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
