ASSIGNMENT

WHEREAS, we, **Kenneth J. Kledzik**, citizen of the United States whose post office addresses is **46 Via Palacio, San Clemente, California 92673**, and **Jason Engle**, citizen of the United States whose post office addresses is **2400 South Ola Vista, San Clemente, CA 92672**, have made an invention for which they are about to make application for Letters Patent of the United States entitled "**A Modular Integrated Circuit Chip Carrier**" and filed **February 21, 2003** in the United States Patent and Trademark Office being assigned serial number **10/371,061**; and

WHEREAS, **Legacy Electronics, Inc.**, a corporation organized and existing under the laws of the state of California, and having an office for the transaction of business at **1001 Calle Amanecer, San Clemente, California 92673** is desirous of acquiring the entire right, title and interest in and to said invention and any improvements thereon, and in and to the said application for Letters Patent thereof, and any Letters Patent which may be obtained there from;

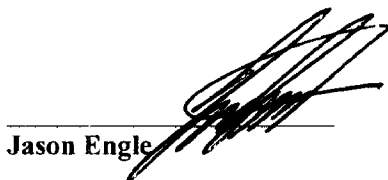

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that we, the **Kenneth J. Kledzik and Jason Engle** for and inconsideration of the sum of One Dollar (\$1.00), lawful money of the United States, to us in hand paid by said **Legacy Electronics, Inc.**, and other good and valuable considerations unto us moving from said **Legacy Electronics, Inc.**, at and before the ensembling and delivery of these presents, the receipt of which is hereby acknowledged, have sold, assigned, transferred and conveyed and by these presents, do sell, assign, transfer and convey, unto said **Legacy Electronics, Inc.**, its successors, assigns and heirs the entire right, title and interest in and to the said invention for which we have make application of Letters Patent of the United States entitled "**A Modular Integrated Circuit Chip Carrier**", being filed on **February 21, 2003** and assigned serial number **10/371,061**, and any and all improvements thereon, and in and to said application and any divisional, continuation or continuation-in-part applications thereof, and in and to any Letters Patent of the United States which may be issued on any of said applications, and any reissues thereof, and in and to any and applications for Letters Patent filed in foreign countries for said invention or improvements including all priority rights, and any and all Letters Patent which may be granted in foreign countries therefor, TO HAVE AND TO HOLD THE SAME to the full end of the term or terms for which any and all said Letters Patent may be granted;

AND we, the said **Kenneth J. Kledzik and Jason Engle** do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent of the United States to said **Legacy Electronics, Inc.**, as the assignee of the entire right, title and interest in and to the same, for the sole use and benefit of said **Legacy Electronics, Inc.**, its successors and assigns;

AND we, the said **Kenneth J. Kledzik and Jason Engle** for the considerations aforesaid, do hereby covenant and agree to and with said **Legacy Electronics, Inc.**, its successors and assigns, that We have the full power to make this assignment, and that the rights assigned are not encumbered by any grant, license or right heretofore given, and that we, our executors or administrators, shall and will do all lawful acts and things and make, execute and deliver without further compensation, any and all other instruments in writing, further applications, papers, affidavits, powers of attorney, assignments, and other documents which, in the opinion of counsel for said **Legacy Electronics, Inc.**, its successors and assigns, may be required or necessary more effectively to secure to and vest in said **Legacy Electronics, Inc.**, its successors and assigns, the entire right, title and interest in and to said invention and improvements, applications, Letters Patent, rights, titles, benefits, privileges, and advantages hereby sold, assigned, transferred and conveyed, and that we will sign any applications for reissue which may be desired by the owner of the patent or patents which may be issued for the said invention or improvements.
