ASSIGNMENT

THIS ASSIGNMENT, made by me, **Robert C. Hightower**, a citizen of the United States of America, residing at 1136 Skeet Club Road, High Point, North Carolina 27265;

WITNESSETH: That,

WHEREAS, I am the sole inventor of a new and ornamental design for **CORNER AND/OR EDGE PROTECTOR** for which a design patent application for United States Letters Patent has been filed on April 15, 2003 under Serial No. 29/179,775 (I hereby authorize Myers Bigel Sibley & Sajovec to insert number when known), in the United States Patent and Trademark Office; and

WHEREAS, **Tenn-Tex Plastics, Inc.**, a small business having a principal place of business at 8011 National Service Road, City of Colfax, County of Guilford, State of North Carolina 27235, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby request that said Letters Patent be issued in accordance with this assignment.
