OF REGISTRANT RECORD NAME

Patent Number: 6,077,394
Title: Improving Retention and Drainage in Alkaline Paper
Issue Date: June 20, 2000
Filing Date: March 30, 1999
Serial Number: 09/281,368
(the "Property")

I, Harri J. Haikala, the Secretary of Callaway Chemical Company ("Owner"), being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of this document, and any application or registration related hereto, do declare as follows in the numbered paragraphs, below. All statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true.

1. I am properly authorized to execute this document on behalf of the Owner.
2. I have the authority and right to bind the Owner to legal action, and to speak on behalf of the Owner with respect to legal matters and representation.
3. I believe the above identified Owner to be the owner of the identified Property.
4. Owner's true corporate name, as shown by the records of the Secretary of State of New Jersey and evidenced by the copy of the Certificate of Good Standing attached hereto as Exhibit A, is "Callaway Chemical Company." Owner is now and continuously since 1994 has been a valid and existing corporate entity under such name.
5. In connection with its business, Owner has adopted and uses various trade names, d/b/a's, and other monikers, all used with an intent and effect of referring to the Owner. Among such trade names are the names "Callaway Chemical Corporation,"

"Callaway Corporation," and "Callaway Chemical Corporation, d/b/a Vulcan Performance Chemicals." All use of these names refers to Owner in its full and legal capacity.

6. Due to a clerical error, the assignment filed in connection with the above referenced Property, recorded at reel/frame 9918/0386, refers to Owner by its trade name "Callaway Corporation." The intent of the reference to the trade name was to refer to Owner in its full legal capacity. As a result of this clerical error in the recorded assignment, the Owner is named in the assignment records under its trade name Callaway Chemical Corporation.
7. The reference to Owner as Callaway Corporation and Callaway Chemical Corporation, was an inadvertent clerical error only, and does not indicate any intent to deceive.
8. In view of the foregoing, I request that the assignment records regarding the Property be amended to correct this error and to reflect the proper name of the Registrant as Callaway Chemical Company, in its full legal capacity. This amendment and the facts stated in this Declaration do not indicate a change in ownership, indicate that the original assignee was any entity other than Owner, or otherwise affect title to this Property.
9. I have instructed that a properly completed Recordal Cover Sheet and the required fee be submitted with this document, in accordance with 37 C.F.R. 2.6 and 3.41.
