ASSIGNMENT OF PATENTS

WHEREAS, ARTEMIS LICENSING, a corporation organized and existing under the laws of California, having a place of business in Cypress, California ("Assignor"), is the owner of those certain patents and patent applications listed in Schedule A attached hereto (the "Patents") and is the owner of the corresponding patents and patent applications listed in said Schedule A; and

WHEREAS, Curtis Holdings, LLC, a limited liability company organized and existing under the laws of the State of Minnesota, having a place of business in Elk River, Minnesota ("Assignee"), desires to acquire the Patents and the registrations thereof;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, the entire right, title and interest, whether statutory or at common law, in and to the Patents, in the United States and its territorial possessions and in all foreign countries and all rights and benefits under any applicable treaty or convention, or any continuation, divisional, renewal, or substitute thereof; and as to letters patent any reissue or reexamination thereof, including the rights to claim priority both foreign and domestic, in and to any and all improvements which are disclosed in the inventions found in Schedule A attached hereto, and any similar legal protection thereof in a foreign country, together with all causes of action for any and all previously occurring infringements by third parties of the rights being assigned and the right to receive and retain the proceeds relating to those infringements.

After the date hereof, Assignor will execute and deliver from time to time at the request of Assignee all such further instruments as, in the reasonable opinion of Assignee's counsel, may be required in order to vest in Assignee full and complete title to and the right to use the Patents.

IN WITNESS WHEREOF, this Assignment is effective as of the 30th day of May, 2002.
