Docket No 51044/US/2

ASSIGNMENT

WHEREAS, I, Remo Santacecilia of 13 Rock Manor Avenue, Wilmington, Delaware 19803 have made certain inventions in Nonwoven Webs Treated with Fixed Mobile Materials, identified as Uniqema 51044/US/2, for which an application for a United States Patent was executed on even date with this Assignment and for which a PCT application is being filed concurrently with the U.S. patent application; and

WHEREAS, ICI Americas Inc., a Delaware corporation with a corporate address of 10 Finderne Avenue, Bridgewater, New Jersey 08807, is desirous of acquiring the full and exclusive right, title and interest in and to the invention, application and any and all Letters Patent which may be granted thereon.

NOW, THEREFORE, be it known that for valuable consideration, the receipt whereof is hereby acknowledged, I do hereby sell, assign and transfer to the Corporation, its successors and assigns, the full and exclusive right, title and interest in and to the aforesaid invention, application and any and all Letters Patent and reissues thereof which may be granted upon the application and upon any and all additional applications for patents for the invention, in and for the United States and foreign countries, including the full right to claim for any such application the benefits, including priority rights, of any international convention, arrangement, or treaty, as fully and entirely as I could have done if the application had been filed in my name; to the full ends of the terms for which all the Letters Patent and reissues thereof may be granted.

AND, I hereby covenant and agree to communicate to the Corporation, its successors and assigns, any facts known to me respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all additional and divisional applications, make all rightful oaths, and execute or procure any further necessary assurance of the title to the invention and any Letters Patent which may issue thereon, and generally do everything possible to aid the Corporation, its successors and assigns, to obtain and enforce proper patent protection for the invention in any country, without further compensation, but at the expense of the Corporation, its successors and assigns.

AND, I hereby authorize and request the Director of Patents and Trademarks of the United States, and any Official of any country foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for the invention to ICI Americas Inc., as the assignee of my interest.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 13 day of August, 2003.

Remo Santacecilia
