ASSIGNMENT

WHEREAS, We, **Michael Augello**, 5 Cross Ridge Circle, Marlboro, New Jersey 17746; **Edc Bliefertich**, 108 Extonville Road, Yardville, New Jersey 08620, have made certain new and useful inventions in **Edible PGA Coating Composition** for which an application for a United States patent was filed on November 26, 2001, Application Number, 09/994,252.

WHEREAS, FMC CORPORATION, a corporation organized under the laws of the State of Delaware, and having a place of business at 1735 Market Street, Philadelphia, Pennsylvania 19103, is desirous of acquiring the full and exclusive right, title and interest in and to said invention, application and any and all Letters Patent which may be granted thereon:

NOW, THEREFORE, be it known that for valuable consideration, the receipt whereof is hereby acknowledged, we do hereby sell, assign and transfer unto the said FMC CORPORATION, its successors and assigns, the full and exclusive right, title and interest in and to the aforesaid invention, application and any and all Letters Patent and reissues thereof which may be granted upon said application and upon any and all additional or divisional applications for patents for said invention, in and for the United States and foreign countries, including the full right to claim for any such application the benefits, including priority rights, of any provisional application, international convention, arrangement, or treaty, as fully and entirely as we could have done if the application had been filed in our name; to the full ends of the terms for which all said Letters Patent and reissues thereof may be granted,

AND, we hereby covenant and agree to communicate to said FMC Corporation, its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all additional and divisional applications, make all rightful oaths, and execute or procure any further necessary assurance of the title to said invention and any Letters Patent which may issue thereon, and generally do everything possible to aid the said FMC Corporation, its successors and assigns, to obtain and enforce proper patent protection for said invention in any country, without further compensation, but at the expense of said Corporation, its successors and assigns,

AND, we hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to said FMC CORPORATION, as sole assignee.

IN TESTIMONY WHEREOF, we hereunto set our hands and seals this
