ASSIGNMENT

WHEREAS, we, **Kris Hanon**, a citizen of the United States of America, residing at 435 Ridgewood Drive, Fayetteville, Georgia 30215; **Michael T. Burk**, a citizen of the United States of America, residing at 857 Southern Shore Drive, Peachtree City, Georgia 30269; and **Randall O. Tyner Jr.**, a citizen of the United States of America, residing at 608 Effie Drive, Lawrenceville, Georgia 30045, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**Interface For A Multifunctional System**" about to be filed in the United States Patent and Trademark Office; and

WHEREAS, **Panasonic Automotive Systems Company of America**, a division of **Matsushita Electric Corporation of America ("Panasonic")**, a corporation of the State of Delaware having a principal place of business at 776 Highway 74 South, Peachtree City, Georgia 30269 is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Kris Hanon, Michael T. Burk and Randall O. Tyner Jr.**, by these presents do sell, assign and transfer unto **Panasonic** the full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation,

or reissue thereof, to **Panasonic**, as the assignee, for its interest and for the sole use and benefit of **Panasonic** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **Panasonic**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **Panasonic**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Panasonic**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
