ASSIGNMENT

WHEREAS, I, Lawrence Shane INTRAVATOLA (hereinafter "Assignor") have invented: **BLOWER**, identified as Attorney Docket No.: 10396-54, and described in U.S. provisional patent application serial number 60/475,413, filed June 2, 2003, and described in the application filed herewith.

WHEREAS, AIR SYSTEMS, INC. d.b.a. AIR SYSTEMS INTERNATIONAL, INC, a Delaware corporation located at 821 Juniper Crescent, Chesapeake, VA 23320, United States of America (hereinafter "Assignee"), is desirous of acquiring exclusive rights to said invention throughout the world, including the right to file for patent protection and to own any patents issued therefrom.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent application(s) identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that

the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment. Assignor will provide all reasonable aid and assistance required to enforce and defend any patents issued, subject to reasonable payments from the Assignee for time spent, other than as a witness under oath, if not employed by the Assignee while such aid is given.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
