ASSIGNMENT

WHEREAS, we, Craig T. Walters, Jeff L. Dulaney, and David W. Sokol, residing at 400 Fox Run, Powell, Ohio 43065, 5404 Armistead Lane, Apartment D., Dublin, Ohio 43017, and 6473 Wyndburne Drive, Dublin, Ohio 43017, have invented certain improvements in:

METHOD AND SYSTEM FOR NEUTRALIZATION OF BURIED MINES described and claimed in an application for Letters Patent of the United States of America thereon, said application having been executed on March 12, 2003;

WHEREAS, LSP Technologies, Inc. located at 6145 Scherers Place, Dublin, Ohio 43016-1284, are to acquire the entire right, title and interest in and to said invention and said application for Letters Patent;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00) to us in hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we do hereby assign, sell, transfer and set over unto said LSP Technologies, Inc., its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application identified above, and in and to said application and any divisions or continuations or continuations-in-part thereof or continuation prosecution applications or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said application or for said invention, and in and to any patent application which may be filed on said invention in countries foreign to the United States of America and any patents granted thereon; said invention, applications, and Letters Patent to be held and enjoyed by said LSP Technologies, Inc., and its successors or assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said Letters Patent, when granted to said LSP Technologies, Inc., as the assignees of our entire right, title and interest in and to the same, for the sole use and enjoyment of said LSP Technologies, Inc., its successors and assigns.

Further, we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said LSP Technologies, Inc., its successors and assigns may require to enable it or them to procure Letters Patent on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey

said Letters Patent, reissues or extensions.

Executed this 30th day of May, 2003.
