## A S S I G N M E N T

WHEREAS, we, Bowie G. Keefer, of Vancouver, B.C., CANADA, and Matthew L. Babicki, of West Vancouver, B.C., CANADA, have invented a certain invention, entitled HYDROGEN RECYCLE FOR SOLID OXIDE FUEL CELL, for which we are making application for Letters Patent of the United States, said application having been filed as United States Patent Application No. 10/389,541, on March 14, 2003.

WHEREAS, QuestAir Technologies, Inc., having a place of business at 6961 Russell Avenue, Burnaby, B.C., CANADA V5J 4R8, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Bowie G. Keefer and Matthew L. Babicki, hereby sell, assign and transfer to QuestAir Technologies, Inc., the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by QuestAir Technologies, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to QuestAir Technologies, Inc., or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid QuestAir

Technologies, Inc., its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
